Army ROTC may not be a fraternity or sorority, but at times it can feel like one. After all, you'll find the same kind of teamwork, camaraderie and friendship. Plus, you'll get to do challenging stuff like this that can help make you tougher, mentally as well as physically. *Come talk to us at the Army ROTC department.* We won't rush you.

ARMY ROTC Unlike any other college course you can take.

LEADERSHIP EXCELLENCE

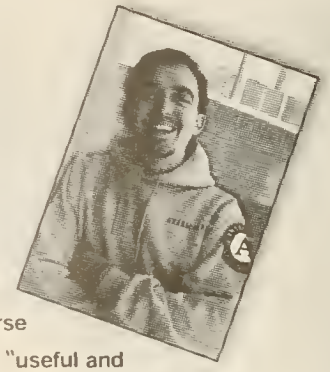
I said to myself, "Is this all there is?"



A few months into his first job after college, Gary Van Deurse needed a break from his nine-to-five routine—a way to feel "useful and alive." Gary found his answer in AmeriCorps. During his year of service in a rural community, he helped improve the lives of families who needed education, affordable housing, and other support. Looking back, Gary says, "Joining AmeriCorps is the best thing I've ever done. AmeriCorps challenged me, opened my eyes, and gave me new skills and new energy."

TIPS FOR INCREASING ENERGY & DECREASING FATIGUE

MAINTAIN A BALANCED DIET. Protein, fat and carbohydrates should be included in each meal - this balances blood sugar and promotes steady energy flow.

REDUCE CONSUMPTION OF SUGAR & WHITE FLOUR. These foods tend to unbalance blood sugar levels and give only quick and short bouts of energy.

MINIMIZE USE OF STIMULANTS (CAFFEINE, ETC).

AVOID STRESS. Energy should be saved for when you really need it.

GET PLENTY OF SLEEP.

TAKE BREAKS. Relax, stretch and focus on breathing.

STUDYING IN GROUPS

Difficult class? Studying in a group can promote the exchange of ideas, as well as provide support and encouragement. Everyone involved benefits.

- Set an agenda for each group study session.
- Ask questions to get the most out of the group.
- Compare notes.
- Quiz each other.

Welcome To U OF I DIRECT Registration

When you use your Network ID and password to access U OF I DIRECT from personal computers at multiple locations on campus (or via dial-up with modem), you will be welcomed to U OF I DIRECT registration, followed by a request to verify your local address and the Main Menu of Options. You then select an option by pressing the appropriate key(s) on the keyboard.

A registration checklist and Schedule Planning Form, included in the *Timetable*, will help you develop your schedule before you log onto U OF I DIRECT.

You will be assigned a Registration Time based on the number of hours/units completed or in progress, according to campus policy. Through U OF I DIRECT you can:

- register and add/drop classes
- update your address and telephone information
- provide information on appointment/graduation status
- obtain a copy of your early registration schedule

Some classes are listed in the *Timetable* as "authorization only." Contact the department for approval before using the U OF I DIRECT system to register in one of these classes.

The U OF I DIRECT system will control for registration time, class size, academic program, maximum credit, advising hold (if applicable), and encumbrances. If an advising hold has been placed on your record, it must be removed before you can register. You should resolve all encumbrances as soon as possible. If you have an encumbrance on your record, access to U OF I DIRECT to register or to drop or add classes will be blocked approximately three weeks prior to the first day of instruction. **If you have an encumbrance on your record as of 5:00 PM the first day of instruction, your course registration for the term will be cancelled.** You can avoid having your course registration cancelled by resolving encumbrances.

The Records Service Center will be available from 8:30 AM until 4:45 PM, Monday through Friday at 901 W. Illinois Street. If you need information or assistance using U OF I DIRECT, call 333-6565.

Introduction to the *Timetable*

The *Timetable* is the listing of course offerings for the term, and includes instructions on when, where, and how to register and drop and add classes; tuition, fees, and billing information; academic calendar information; how to get a replacement ID card; etc. Therefore, please keep it for future reference. Updated information on course offerings is also available by checking *Timetable* course section information on the World Wide Web (http://www.uiuc.edu/timetable), and from college and departmental advisers.

While every effort is made to provide accurate and up-to-date information, the University reserves the right to change without notice statements in the *Timetable* concerning rules, policies, procedures, tuition, fees, curricula, courses, or other matters. All course registrations are accepted subject to enrollment conditions set by the offering departments. In addition, colleges and departments reserve the right to:

- impose enrollment requirements and prerequisites,
- reassign students to other sections in a course,
- withdraw students from certain courses or sections after enrollment,
- cancel course offerings or sections for legitimate educational reasons.

Students considering enrollment in military science, naval science, or air force aerospace studies courses should be aware that University policy prohibits discrimination on the basis of sexual orientation; students may enroll in these courses regardless of sexual orientation. As of the date of printing of this publication, students seeking to enroll in ROTC are not asked to disclose their sexual orientation. However, homosexual conduct is grounds for disenrollment from the program.

Student Responsibility

- You are responsible for knowing and adhering to the policies, deadlines, and procedures in the *Timetable*. Careful reading of the various sections of this booklet will help you avoid enrollment problems.
- **U OF I DIRECT is the University system to register for courses by computer. When you do so, you agree to pay tuition and fees to the University according to the payment policies and schedules adopted by the Board of Trustees. If you wish to cancel your registration, and thus avoid payment of tuition and fees charges, you must do so by 5:00 PM of the first day of instruction.**

  Unauthorized use of University of Illinois computer systems, data, or resources; unauthorized use of another individual's identification, account, or password; or an attempt to gain unauthorized access is prohibited by University policy and may constitute a violation of Illinois state law. Access to U of I Direct will be terminated if you are found to be making excessive unsuccessful registration attempts. See page 10 for details.
- As an enrolled student, you are responsible for knowing and complying with the regulations of the University, your college, and the departments offering the courses you are taking, and for fulfilling the requirements for your particular degree. You may obtain the regulations of your college at the college office.

You are expected to conduct yourself at all times in accordance with accepted principles of responsible citizenship and with due regard for the rights of others.

You are advised to obtain a copy of the *Code of Policies and Regulations Applying to All Students*. That publication is available for inspection at college and departmental offices and libraries, at the Illini Union Information Desk, the Student Organizational Complex in the Illini Union, in the lobby of the Turner Student Services Building, and at the Records Service Center, 901 W. Illinois Street. The *Code* is also available on the Web (http://www.uiuc.edu/admin_manual/code).

Registration Procedures

1 Registration Time - Invitation to Register

All eligible continuing and re-entry students are assigned a Registration Time according to priorities established by campus policy. This is the first time a student can access U of I Direct registration for the term. If you are a continuing student, you will be informed of your Registration Time in your Invitation to Register from the Office of the Registrar, mailed to your local address, approximately two weeks before the start of the Early Registration Period. If you do not receive this mailing, please go to the Records Service Center, 901 W. Illinois Street. Within each priority grouping, Registration Times are assigned in intervals first by the number of hours earned plus the number of hours (if any) in progress. Further assignment, as necessary, is done randomly by student ID number.

2. Eligibility to Register

In general, students currently enrolled in Illinois degree programs can register early for the 2000 fall semester. You may **not** register early if you are:

- A part-time nondegree student.
- A student graduating prior to August 2000, unless you have been admitted to an Illinois graduate, professional, or second baccalaureate degree for fall semester 2000.
- A student newly admitted to a university degree program. Information about your initial registration procedures will be included in your Notice of Admission.

3. Advising Hold

Academic advising is recommended for all students and is required in most programs. You are encouraged to meet with your adviser to discuss your plan of study before using U of I Direct to register. An advising hold may be placed on your record if you are in a college/department in which advising is a mandatory prerequisite to registration. In such cases you must complete an advising session before your college/department will clear you to enroll using U of I Direct. For additional information on the advising hold, please contact your College Office.

4. Encumbrances

Academic and administrative offices may place encumbrances on your record for various reasons, funds owed to the University, policies related to failure to meet medical/immunization requirements. If you have an encumbrance(s) on your record, resolve it with the appropriate campus office as soon as possible. You will be informed of any encumbrance(s) on your Invitation to Register, your Official Class Schedule and each time you access U of I Direct. An encumbrance will not prohibit you from participating in early registration and you can continue to use the system to make course changes until your Official Class Schedule is mailed to you approximately three weeks prior to the beginning of the term.

After the Official Class Schedule is mailed, however, all encumbered students will be blocked from access to the U of I Direct registration sequence. Students will be alerted to the presence of any encumbrance(s) on the Official Class Schedule and directed to the appropriate office(s) to resolve them. **Failure to resolve the encumbrance(s) prior to 5:00 PM of the first day of instruction will result in cancellation of your course registration for the term.**

5. Enrollment Requirements and Prerequisites

Many courses carry prerequisites and other enrollment requirements such as "consent of instructor," "enrollment limited to majors," "seniors only," "honor students," etc. These requirements are listed with each course and many are computer controlled. You are expected to comply with these prerequisites and enrollment requirements. Failure to do so may result in your being removed from the course. Should you have questions regarding these requirements, please contact the teaching department.

6. "Authorization Only" Courses

Some courses require departmental authorization prior to registration. If you are interested in an "authorization only" course listed in the *Timetable* you should consult the teaching department prior to your Registration Time. If you meet the enrollment requirements for the course, the department will authorize you on-line to enroll in the course. You, in turn, must register for the course using U of I Direct.

7 Maximum/Minimum Enrollment Levels

The maximum amount of credit in which a student can enroll without special overload approval from his/her college office is:

Fall and Spring Terms	
Undergraduates	18 hours
Graduate, Vet Med, Medicine	5 units (20 hours)
Law	16 hours
Summer Session 1	
Undergraduates	4 hours
Graduate, Vet Med, Medicine	1.5 units (6 hours)
Law	6 hours
Summer Session 2	
Undergraduates	9 hours
Graduate, Vet Med, Medicine	3 units (12 hours)
Law	6 hours

Should you wish to enroll above the established maximum, consult your college office.

U of I Direct will display a warning message if you are not enrolled in a full course load for the term. Enrollment below the minimum may jeopardize your financial aid status, progress toward a degree, or your visa status if you are an international student. Full-time enrollment for undergraduate students is 12 or more hours; for graduate students, 3 or more units.

During the fall and spring semesters, full-time undergraduate and professional students will not be permitted to reduce their credit load below 12 hours after the first day of instruction. College approval is required to carry a load of fewer than 12 hours.

8 Credit-No Credit

The credit-no credit grading option is designed to encourage students to explore areas of academic interest that they might otherwise avoid for fear of poor grades. All students considering this option are cautioned that many graduate and professional schools consider applicants whose transcripts bear a significant number of nongrade symbols less favorably than applicants whose transcripts contain none or very few. Likewise, in computing a preadmission grade-point average, some schools may convert the NC symbol to a failing grade because they do not know whether the actual grade was a D or F.

Credit-no credit courses are not counted toward the grade-point average, but are included as part of the total credit hours and are assessed as credit hours.

Instructors are not informed of those students in their classes who are taking work under the credit-no credit option, and they report the usual letter grades at the end of the course. These grades are automatically converted to CR or NC. Grades of C- or better are required to earn credit.

The credit-no credit option is not available on U of I Direct. Should you wish to elect this option, please consult your college office or graduate department.

9. Policy on Intercollege Transfer

An intercollege transfer applicant is one who is currently registered in an undergraduate college at UIUC and who wishes to be considered for admission to another undergraduate college at UIUC. Intercollege transfer applicants are considered on the basis of the intercollege admission requirements of the new college and availability of space in the chosen programs. This policy does not apply to the Graduate College or a professional college.

The campus has designated two periods each term for intercollege transfer. They are:

- **Two weeks prior to the beginning of the Early Registration Period for each term. Curriculum changes will not be allowed after early registration begins.**
- **One week prior to the start of instruction for the term and through the first week of instruction.**

If you intend to apply for intercollege transfer, you should do so within these designated time frames. **Your access to certain courses is dependent upon your college of enrollment.**

10. Student Health Insurance

The University's Board of Trustees requires that all students be covered by a health insurance plan, either the University's Student Health Insurance Plan or a plan determined by the University to be an equivalent plan. Requests for exemption from the health insurance fee, purchase of dependent coverage, etc., are limited to specific time periods at the beginning of each semester. See Student Health Insurance Plan section in the Timetable ***for deadline dates and instructions.***

How to Use the World Wide Web *Timetable*

The *Timetable* is also on the campus network (UIUCnet), via a service called the "World Wide Web" (WWW).

The WWW version allows convenient browsing of the *Timetable* with the following advantages:

- Timeliness: It is updated every night from U of I Direct data
- Cross-referenced information: Every course is linked to more complete course descriptions found in the on-line *Course* catalog.
- Helpful information: Supplemental information is available, e.g., links to a campus map showing class location.
- You can search it via an easy-to-use index.

The WWW *Timetable* can be viewed on the network by using a browser program on a PC, Mac, or UNIX system. Some common browsers are NCSA Mosaic, Netscape, Internet or Lynx. If you are familiar with using a WWW browser (i.e., if this computer jargon hasn't bewildered you), you may view the *Timetable* using the following URL (the "address" of the *Timetable* on the WWW):

http://www.uiuc.edu/timetable

A document explaining in greater detail how to view the WWW *Timetable* may be obtained at most CCSO locations, including computer sites across campus and the CCSO Resource Center (1420 DCL, 244-1258). Ask for "Using the WWW Timetable on the Campus Network." Consultants in the Resource Center can also help you learn about WWW browsers.

The WWW browsers are available on all CCSO site computers, so you may view the WWW *Timetable* at any CCSO site.

U OF I DIRECT Network ID and Password

To access U OF I DIRECT, you will use your Network ID and password. All UIUC students are assigned a Network ID and password when they are admitted to the University.

As with any computerized system, security of the data is a primary concern. In order to maintain the security of your student records and class schedule, it is imperative that you protect your Network ID and password. NEVER tell anyone your password. NEVER let someone use your Network ID and password. The importance of your password is much like that of a bank card PIN — ALWAYS protect the privacy and security of your password. You are encouraged to change your password periodically to maintain the security of your Network ID.

You may change your netid password using a secure online Web page at **https://www-s.uiuc.edu/bluestem/kpasswd.cgi**. You may also change your password using a computer at any CCSO site. Staff at these locations can assist you. A document entitled, "Changing Your Network ID and Password" is also available at these sites, and it describes the procedure you use to change your password. If you forget your password, go to the Account Services desk at the CCSO Resource Center, 1420 DCL (8:30 AM-5:00 PM, Monday through Friday) to have your password reset so you can resume using your Network ID.

If you have questions or concerns about your Network ID and password, contact the CCSO Resource Center (1420 DCL, 244-1258).

Locations - Where Can I Register?

U OF I DIRECT registration can be accessed from the following locations:

- ## CCSO Public Sites

(The hours of these sites may vary from term to term.)

Peabody Drive	Weston tunnel area
Pennsylvania Ave	Babcock Lounge
Sherman	Room 40
Taft-Van Doren	Adjacent to Main Lounge

- ## Dial-up Access via Modem

You may access U OF I DIRECT using a modem. For complete details, see the section entitled "U OF I DIRECT Registration Instructions."

✓ U of I Direct Registration Checklist

✓ Have Your U of I Direct Registration Materials

To register for courses using U of I Direct you need:

- U of I Direct Schedule Planning Form (located in the back of the *Timetable*)
- Your Network ID and password
- Your Registration Time from your Invitation to Register

If you did not receive your Invitation to Register, contact the Records Service Center, 901 W. Illinois Street, 333-6565.

✓ Meet with Your Adviser to Plan Your Program of Courses (and Alternative Course Selections) for the Term

- Before your Registration Time, meet with your adviser to discuss your program of study for the term.
- Discuss with your adviser alternative course selections in case your first choice offerings are full/unavailable to you.
- Complete the Schedule Planning Form as a guide.

✓ Prepare for Enrollment Restrictions that May Be Placed by Departments

- **Consent Instructor/Authorization Required:**
  If you plan to select courses requiring consent of instructor or departmental approval, contact the department offering the course to obtain permission **prior to** registering via U of I Direct. ***Approval to register in AUTHORIZATION ONLY courses is entered into the U of I Direct system on-line by the department offering the course. You, in turn, must register for the course using U of I Direct.***
- **Independent Study Courses:**
  Independent study courses require the instructor's permission before registering. If you select an independent study course, obtain permission from the instructor **prior to** registering via U of I Direct.
- **Courses with Prerequisites:**
  Many courses have prerequisites. The prerequisites are intended to help you succeed in the course. You are expected to comply with them. You may be removed from a course for failure to comply with the prerequisites.
- **Courses with Restrictions:**
  Some courses have restrictions which limit registration to students meeting certain criteria, e.g., college, curricula, year in school, honors, or placement test scores. Many restrictions are computer controlled. You may be removed from a course if you do not meet the course criteria. Consult the department offering the course if exceptions to these restrictions are required.

✓ Clear Advising Hold and Encumbrances

- If you have an advising hold and/or an encumbrance(s) on your record, that information will appear on your Invitation to Register and on the U of I Direct system.
- The advising hold must be cleared on-line by your college or department before you can register using U of I Direct.
- An encumbrance should be resolved as soon as possible, but will not block your access to U of I Direct registration until after your Official Class Schedule has been mailed to you, approximately three weeks prior to the first day of instruction for the term. **If you have an encumbrance on your record as of 5:00 PM on the first day of instruction, your course registration for the term will be cancelled.**

✓ Use a Computer on Campus (or via Modem) to Register

- With the foregoing steps completed, use your Schedule Planning Form (located in the back of the *Timetable*) as a guide to register in courses via U of I Direct. There are multiple points of access to U of I Direct conveniently located on campus. Many of these locations are listed in the *Timetable*. Dial-up access via modem is also available.
- NEW: This year, students can download the U of I Direct software to their own computers and run the application over a modem. See http://www.uiuc.edu/ccso/pubs/connect/kermit/ for more information about downloading this program.

✓ Register for a Complete Schedule

- You are advised to register for a complete schedule of courses for the term as soon as possible following your Registration Time.
- Although additional seats **may** become available in a **few** courses, and additional sections **may** be added to **some** courses prior to the start of the term, you should **not** delay completing your schedule on the assumption that seats will eventually become available in courses which have closed.
- Complete a workable course schedule early, even if every course is not your first choice.

✓ Verify Your Addresses

- You are required to provide a local and a home address. If either is blank, U of I Direct will require that you provide the addresses before you will be allowed to add courses.
- Make certain that your local, home, and emergency addresses are correct so that you don't miss any important information from the University.

✓ Graduate Students: Check Your Appointment

- A graduate student with a teaching or research appointment must choose menu option F from the U of I Direct Main Menu. Select the letter that corresponds to the percent time of your appointment to ensure that you receive proper credit for your tuition and service waivers.

✓ If You Are Receiving a Degree at the End of the Term

- Be sure to choose menu option E to petition for your degree.

U of I Direct *Registration Instructions*

Logging on to U of I Direct

Once at a computer on campus that has U of I Direct registration software, use the following instructions to access the system. Carefully follow the provided instructions that explain the necessary way to exit the system. Failure to do so may compromise your password.

From a Macintosh on Campus

To log on:

- Double click on the icon entitled "U of I Direct Registration." The location of this program will vary depending upon which computer you use. In the CCSO public sites, the U of I Direct registration program can be found in MACS_APPS: U of I Direct. A dialog box will prompt you to "Please enter your Network ID and password."
- Press the <Tab> key until the Network ID field is highlighted.
- Type in your Network ID.
- Press the <Tab> key. The password field should be highlighted.
- Type in your password.
- Press <Return>. After a brief delay, you will see a message that says "Welcome to the U of I Direct System."
- Follow the instructions on the screen to continue. Complete your registration.

To log off:

- Choose option "X" on the Main Menu and press <Return>.
- From the exit screen, choose "X" to exit the U of I Direct system and press <Return>.
- Once you have chosen "X" to exit and pressed <Return>, the window should disappear, indicating that you have successfully exited the system.

From a PC on Campus

To log on:

- Run the U of I Direct registration program. The location of this program will vary depending upon which computer you use. In the CCSO public sites, the U of I Direct registration program can be found on the menu under "Network Services."
- Double-click on the icon entitled "U of I Direct Registration."
- When prompted at the "Enter your Network ID:", type in your Network ID at the prompt and press <Enter>.
- Next the program will prompt you for your "Password:" Type in your password and press <Enter>. After a brief delay, you will see a message that says "Welcome to the U of I Direct System." (If this message does not display, you may have typed your Network ID or password incorrectly. Run the program again and try retyping in your Network ID and password).
- Follow the instructions on the screen to continue. Complete your registration.

To log off:

- Choose option "X" on the Main Menu and press <Enter>.
- From the exit screen, choose "X" to exit the U of I Direct system and press <Enter>.
- Once you have chosen "X" to exit and pressed <Enter> from the exit screen, you will see some messages including "Tickets destroyed". You have successfully exited the U of I Direct system. If you are at a CCSO site, remember to LOGOFF the machine, also.

Dial-up Access via Modem

If you have the necessary equipment (modem and a microcomputer or terminal) you can use your student account to access the U of I Direct registration program from the CCSO Terminal Server. If you do not have a student account, visit the CCSO Account Services Desk in 1420 DCL (1304 W. Springfield, Urbana). If you do not know how to access your student account via modem, refer to the CCSO User Guide 102 entitled "General Information about Your Account," available at any CCSO public site or 1420 DCL.

NEW: This year, students can download the U of I Direct software to their own computers and run the application over a modem. See **http://www.uiuc.edu/ccso/pubs/connect/kermit/** for more information about downloading this program.

If you have difficulty accessing U of I Direct with a modem, information and assistance is available from CCSO, phone 244-1258.

IMPORTANT NOTICE

Access to U of I Direct will be terminated if you are found to be making excessive unsuccessful registration attempts. The department office should be consulted if you need assistance in adding a particular course.

Part-Time, Late, and Visitor Registration

Part-Time Nondegree Registration

If you are a part-time nondegree student, you may register between Monday, Aug 28 and Friday, Sept 8. To register, follow the instructions for late registration. Part-time nondegree students who register on these dates will not be charged the late registration fine.

Late Registration

- Conducted via U of I Direct from Thursday, Aug 24, until 5:00 PM Friday, Sept 8. To complete late registration during this time period, follow the prior instructions in the *Timetable* beginning at "U of I Direct Registration Checklist."

Students registering on or after Monday, Sept 11, lose the privilege of using U of I Direct. Beginning Sept 11, after you have met with your adviser and secured any required course approvals and clearances, bring your completed Schedule Planning-Very Late Registration Form to the Records Service Center, 901 W. Illinois Street to complete registration.

WARNING: Very late registrants are reported to lenders of student loans as NOT REGISTERED until mid-term.

There is a penalty for registering late. You will be assessed a late registration fine of $15 (amount subject to change) unless you are registering as a visitor.

Registration of Visitors

A visitor is only a listener in a class and may not participate in any class activities. Visitors are not permitted in laboratory, military, kinesiology (other than theory), or studio classes. Students on "dropped" status are not eligible to attend classes as visitors.

To register as a visitor, written approval is required on an official Visitor's Permit available either at the Records Service Center, 901 W. Illinois Street, or at your college office. After obtaining the form, proceed according to one of the following conditions:

- If you are a currently enrolled student: Obtain permission from the instructor of the class and the approval of the dean of your college.
- If you are a former student not currently registered: Obtain the approval from the instructor of the class and the dean of the college in which you were last registered.
- If you have not been previously registered at the University: Obtain the approval from the instructor of the class and the dean of the college in which the course is offered.
- If you are a staff employee of the University: In addition to obtaining other required approvals, you must secure the recommendation of the head of the department or unit in which you work.

After obtaining all required approvals on the Visitor's Permit form, bring the form to the Records Service Center, 901 W. Illinois Street, to complete registration.

Tuition and Fee Assessment; Appointment Waivers
Records Service Center, 901 W. Illinois Street 8:30 AM - 4:45 PM

Registration Charges, Payments, and Refunds

Waivers and Exemptions

If you receive a **waiver**, you are assessed the amount of the charge but the amount is waived by University policy. Because you were assessed the charge, you are eligible to receive the benefits of the service provided by that charge.

If you are **exempt** from a particular charge, that charge is not assessed and therefore you are not eligible to receive the benefits of the services provided by the charge. If you have an exemption from any charge because you are registered in Credit Ranges III or IV, you may obtain the benefits of the service provided by making individual arrangements. (see "Fees and How They Are Determined.")

Tuition and fee waivers are not granted for the Executive MBA or other full-cost programs. Detailed information on tuition and fee waivers and exemptions is published in the *Code of Policies and Regulations Applying to All Students*, which is available on the Web (http://www.uiuc.edu/admin_manual/code).

If you believe that you qualify for any of these waivers or exemptions, consult the staff at the Records Service Center, 901 W. Illinois Street.

Tuition and Fee Assessments

Tuition rates are determined by the University Board of Trustees. Assessment is based on your college and curriculum of enrollment, class, your residency classification, and your credit range.

College of Enrollment

Your tuition rate is based in part on whether you are an undergraduate, graduate, or professional student. All students enrolled in engineering, chemical and life sciences, and art, music, and architecture, and the master's of business administration, curriculum are assessed a tuition surcharge.

Because the Professional Veterinary Medicine Program requires a full course of study each term, students in that curriculum are assessed a single tuition rate for each of the four years of the program.

Students enrolled in the nursing and medical sciences programs on the Urbana-Champaign campus are assessed tuition at Chicago campus rates. Fees are assessed at UIUC campus rates.

Information about tuition rates for students in flight training, study-abroad, Executive MBA, and other special-cost programs may be obtained at the Records Service Center, 901 W. Illinois Street, or by calling (217) 333-0210.

Residence Classification

Another factor in determining your tuition rate is your residence classification (resident or nonresident of Illinois as defined and determined according to regulations approved by the University Board of Trustees). Your classification is based on information

you provide on your admission application and other credentials. Residency rules are available on the Web (http://www.uoapa.uillinois.edu/residency.html).

To request a change in your residency classification, obtain a petition at the Admissions Service Center, 901 W. Illinois Street. You must submit the petition by October 2. If you fail to submit a petition within the allotted time period, you lose all rights to a change in status and adjustment of your assessed tuition for the term. Telephone (217) 333-0302 for additional information.

Fees and How They Are Determined

The fee schedule is fixed by the University Board of Trustees and is calculated on the basis of the number of semester hours or units of credit for which you are registered. Fees to be assessed this semester are:

General Fee: Supports certain fixed costs of fee-supported buildings (IMPE, Ice Arena, Assembly Hall, Illini Union, *Athletic Facilities*, etc.) on campus.

Service Fee: Supports salaries, programming, general expenses, and utilities for campus auxiliary service units such as the Illini Union, the Assembly Hall, and Campus Recreation. *(Students exempt from this fee because they are registered in Credit Ranges III & IV may obtain the services by paying the fall semester fee at a cashier's window in 100 Henry Administration Building by no later than 4:00 PM, Sept 22,2000.)*

Health Service Fee: Supports salaries, programming, general expenses, and utilities for McKinley Health Center and the Counseling Center. *(Students exempt from this fee because they are enrolled in Credit Ranges III & IV may obtain the services by paying the fall semester fee at the McKinley Health Center Business Office by no later than 5:00 PM, Sept 22, 2000.)*

Health Insurance Fee: Covers the cost of premiums to the insurance carrier and the cost of administering the program.

Transportation Fee: Supports a campus and community busing plan for students. *(Students exempt from this fee because they are enrolled in Credit Ranges III & IV may obtain the services by paying the fall semester fee at the Division of Campus Parking by no later than 5:00 PM, Sept 22.2000.)*

Flight Training Fee: Charged each student enrolled in flight training courses in addition to regular tuition and fee registration charges; based on the nature of each course.

Krannert Fee: Refundable; supports productions at the Krannert Center for the Performing Arts.

SEAL Fee. Refundable; assessed students registered on campus to supplement existing financial aid for needy students.

SORF: Refundable; supports the Student Legal Service and assists in funding programs and/or services of registered student organizations.

ISG Fee: Refundable; supports the activities of student government.

Students exempt from KCPA, SEAL, SORF, and ISG fees because they are registered in Credit Ranges III & IV may participate in them by paying a $17 fee at a cashier's window in 100 Henry Administration Building by no later than 4:00 PM, Sept 22. 2000. The charge will cover all four fees which may not be purchased separately.

For refund dates on all refundable fees, see the section "Refund of Special Fees."

Tuition and Fees Billings and Payments

Important Dates

Sept 22	Payment deadline if registered Sept 8
Sept 11 and thereafter	Payment deadline is 4:00 PM on day of registration

Billings and payments for all registration charges, plus charges for University-operated housing, occur after classes begin. Billing is done on a Registration Statement of Charges and Aid which itemizes all registration charges, financial aid administered by the University, financial aid from external agencies (ISSC, VA, etc.), and any cash aid for which you are eligible. The statement also contains the date by which either full payment or the first payment on the installment plan (if approved) must be made. The availability of statements and the payment deadline dates are determined by when you register.

If you clear all encumbrances, and have classes on your record by the end of the first day of instruction (Aug 23), your Registration Statement of Charges and Aid will be mailed to your local address around Aug 28. Payment will be due on Sept 22. If your statement does not arrive by Sept 1, go to Window 7, 100 Henry Admin. Bldg. and request a duplicate. **It is your responsibility and obligation to obtain a statement and to pay your registration charges by the due date whether or not you received a statement at your local address.**

If you late register between Aug 24 and Sept 8, your payment will be due on Wednesday, Sept 22.

If you register Mon, Sept 11, or any day thereafter, you must make payment by 4:00 PM on the day of registration at a cashier's window in 100 Henry Administration Building.

Your registration statement will be mailed to the local address you provide through U of I Direct. You may make payment by U.S. mail, registration drop boxes (located in the Illini Union and the Henry Administration Building), or in person at a cashier's window in 100 Henry Administration Building.

Payment Instructions

- Use the special registration drop boxes to return your payment. Do not use campus mailboxes.
- Allow five days for delivery if you remit by U.S. mail.
- Do not send cash either through the mail or via the drop boxes.
- If paying with a debit card go to Window A in room 100 Henry Admin Bldg. **Credit cards are not accepted.**
- If you must pay in cash, pay at a cashier's window in 100 Henry Administration Building.

Where Can I Make Payment? If your payment deadline is Friday, Sept 22, you may use either U.S. mail or registration drop boxes (not campus mail boxes) to return your statement along with a check or money order in the correct amount. If you must pay in cash, go to a cashier's window in 100 Henry Administration Building.

Special registration drop boxes for payment of registration charges will be available until Friday, Sept 22, at the following locations:

- Henry Administration Building (east and west entrances)
- Illini Union (southwest entrance)

Can I Pay by Installment? An installment plan for paying tuition and fees and single-student residence hall charges is available to students enrolled on campus. This privilege is not extended to registration in extramural, correspondence, and Summer Term 1 courses, or to students to whom the privilege has been denied.

Charges for the semester are collected in three installments; the first payable by the due date shown on the original statement, and the remaining installments payable in October and November.

A one-time finance charge of 1 percent of the total amount deferred, or $2 (amount subject to change), whichever is greater, is made against accounts being paid under the installment plan. An installment payment of charges becomes delinquent on the first day of the month following the date payment was due. Students with delinquent accounts exceeding the dollar limitation may be denied charging privileges.

If you either pay your registration charges on the installment plan or make no payment at all and then later either withdraw from the University or reduce your registration to a lower credit range after the established refund deadline date for the semester, you are liable for the full amount of tuition and fees assessed.

- ***What If I Don't Make Payment by the Due Date?*** The due date for payment either in full or by installment is printed on your statement. If you do not make full or first-installment payment by the scheduled due date shown on the statement, you will be assessed a $25 (amount subject to change) registration late payment charge that will be billed to your student account.

  A delinquent service charge of 1.5 percent or $2 (amount subject to change), whichever is greater, is added per month to delinquent student accounts. At any point in the semester, a student who has a delinquent account exceeding the dollar limitation may be denied charging privileges. The delinquent service charge is applied to all items charged to the student account and for which payment is delinquent.

  If you are in debt to the University at the end of any term, you may not be permitted to register in the University again. You are not entitled to receive either a diploma or an official transcript of your credits until you have either paid the indebtedness or made suitable arrangements for payment, unless you either have a bankruptcy petition that seeks a discharge of all such indebtedness or all such indebtedness has been discharged.

- ***Special Warnings about Payments.*** A penalty of $15 (amount subject to change) is assessed for each check you present to the University that is returned to the Office of Student Accounts and Cashiers because of insufficient funds or for other reasons. Check cashing privileges may be suspended when more than one check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned.

  Additional penalties, **including dismissal from the university**, may be imposed on students who permit their University accounts to become delinquent or who issue checks that are returned to the University unpaid.

Taxpayer Relief Act of 1997

Several new tax benefits became available to eligible students and their families with the enactment of the Taxpayer Relief Act of 1997. This legislation grants eligible taxpayers a tax credit for qualified higher education expenses. Two of those credits are the Hope Scholarship Credit and the Lifetime Learning Credit.

The University of Illinois' Web site contains information about the Taxpayer Relief Act including information from the Internal Revenue Service (IRS). For a full explanation of the tax credits, visit the Web Page on the Internet.

http://www.uoapa.uillinois.edu/TRA

Important: Please note that only the IRS or a tax professional can provide tax advice on this legislation. Contact one of these resources if you have questions about the law. The University cannot provide tax information or advice.

Student Health Insurance Plan

The University provides and administers a health insurance plan which is mandatory for those students who have not provided proof of other equivalent health insurance coverage. The fee for the plan is assessed along with other tuition and fees; tuition and fee waivers do not apply to the insurance fee. Coverage is worldwide and extends, including breaks, from the first day of the semester or Summer 2 term to the first day of the following semester or Summer 2 term. The insurance plan is independent of McKinley Health Service and benefits are not contingent upon McKinley Health Service referrals. Benefits are detailed in the Student Health Insurance Plan booklet which is available at the Student Insurance Office at 807 S. Wright, Suite 480, Champaign, IL 61820; (217) 333-0165, or on the Web at http://webster.uihr.uiuc.edu/students. See below for information and instructions regarding fee exemption, dependent coverage, etc.

Fall Semester Health Insurance Enrollment Change Period:

Aug 14–Noon, Sept 22, 2000	407 Illini Union

All Student Insurance transactions ***must be*** accomplished by the ***Insurance Deadline*** either in person or by U.S. Mail to the Student Insurance Office located at 807 S. Wright, Suite 480, postmarked on or before the Insurance Deadline. Visit our Web site at **http://webster.uihr.uiuc.edu/students** to download required forms, or call (217) 333-0165. Request made by any other means will be invalid and could result in missing the deadline.

Purchase Health Insurance for Spouse and/or Children

- **Must be applied for during Enrollment Change Period identified above, either in person, or postmark through the U.S. Mail to the Student Insurance Office, 807 S. Wright, Suite 480. See our Web site at** http://webster.uihr.uiuc.edu/students **to download necessary forms, or call (217) 333-0165.**
- Dependent coverage becomes effective on date of application and receipt of premium or the beginning date of the semester for which coverage is being purchased, whichever is later.
- Dependents insured the prior semester will have no lapse in coverage provided the application and premium is received by the last date above.
- Dependents acquired (marriage, birth, entry into U.S.) after the above enrollment period may be added to coverage provided application is made and premium paid within 31 days of the eligibility date (date of marriage, birth, or entry into U.S.). Coverage becomes effective on the date of eligibility. Payment of a full semester's premium for the semester in which the eligibility date occurred is required.

Coverage Extensions beyond Last Semester Enrolled and Insured

- Insurance coverage ends on the beginning date of the next semester; however, it can be extended for the next school period if an extension is purchased by the semester deadline. For example, if you were a student and insured for Spring and will not be a student in the Summer 2 term, coverage will not continue through the summer unless you elect to purchase a summer extension.
- Extensions for fall semester may be purchased beginning July 7, 2000, at the Student Insurance Office or at 407 Illini Union, from Aug 14 through noon, Sept 22, 2000.
- Premium is payable at time of application.

Exemption from Health Insurance Fee

Petitions for Exemption must be completed in person, or postmarked through the U.S. Mail to the Student Insurance Office, 807 S Wright, Suite 480, during the Enrollment Change Period identified above. See our Web site at ***http// webster.uihr.uiuc.edu/students*** to download necessary forms, or call (217) 333-0165.

- Proof of other insurance must be provided; acceptable proof can be your insurance identification card, or a copy of the policy, plan booklet, or notice on company letterhead from the employer or company certifying your coverage.
- An Exemption will automatically continue until Reinstatement to the plan is requested (see Reinstatement below) or you do not respond to a periodic request to confirm that you continue to be covered by another health insurance plan, or three consecutive semesters of non-registered status. Summer 2 is considered a semester.
- Other insurance must be in effect by the first day of class for the semester Exemption is requested.

Reinstatement Conditions

- Apply within 31 days of loss of other insurance; coverage is guaranteed and will be effective the date of application or other coverage termination, whichever is later. Proof of other coverage termination is required.
- Apply more than 31 days after loss of other insurance or if no loss of other coverage has occurred by providing evidence of good health. If approved, coverage is effective the date of application and will be subject to a pre-existing condition limitation for the first 120 days of coverage.
- A full semester premium is required regardless of effective date.

Graduate Student Dental and Vision Assistance Plan

Graduate assistants and fellows who have tuition waivers accompanying their appointments in the fall term will be automatically enrolled for 12 months without charge in the dental and vision plan upon the completion of their appointment papers. All other graduate students, as well as dependents of graduate students and assistants, will be able to enroll in the same basic dental and vision program by completing the necessary enrollment form and paying the annual premium. The fall enrollment period is the same as that for student health insurance, August 14, 2000 through noon on September 22, 2000. Enrollment for the dental and vision plan can be done in room 407 of the Illini Union during this period. A brochure describing the Graduate Student Dental Plan and the Vision Service Plan is available from the Student Insurance Office.

Refunds

Reduction of Program Range

If you reduce your course enrollment to a lower assessment range (e.g., from Range I to Range II), you receive a refund of the full difference between the two ranges, provided the change is made by 5:00 PM, Fri, Sept 8, 2000. No refund is available thereafter.

In all cases, a student enrolled in only one course and who wishes to discontinue enrollment must withdraw from the University by completing the withdrawal process by the stated deadline.

Refunds

You may be released from your obligation to pay all of fall semester tuition and fees by canceling your registration by 5:00 PM, Aug 23, 2000.

You may be released from your obligation to pay part of fall semester tuition and fees by:

- Reducing your program by 5:00 PM, Friday, Sept 8, 2000.
- Withdrawing from the University by 4:45 PM, Friday, Nov 3, 2000.

Refunds of Special Fees (Subject to change)

Krannert Fee. A refund of the Krannert Fee is available to those students who do not desire to participate.This refund is available September 25 - September 29.

SORF. A refund of SORF is available to those students who do not desire to participate. This refund is available October 2 - October 6.

ISG. A refund of ISG is available to those who do not desire to participate. This refund is available October 2 - October 6.

SEAL Fee. A refund of the SEAL Fee is available to those students who do not desire to participate. This refund is available October 9 - October 13.

Flight Training Fee. If you withdraw from a flight-training or glider course you will receive a refund of the unused portion of the flight-training, glider, or aviation course fees, upon recommendation of the Institute of Aviation.

Canceling Your Registration

Before the end of the first day of instruction, you may cancel your registration and be relieved of all tuition and fee charges. You may cancel your registration in one of the following ways:

- On-line by using U of I Direct, no later than 5:00 PM on the first day of instruction of the term you wish to cancel.
- By submitting a request for cancellation of registration to the Office of Admissions and Records. The request must be received no later than 5:00 PM on the first day of instruction of the term you wish to cancel. Requests by mail should be addressed to the Office of Admissions and Records, 901 W. Illinois Street, Urbana, IL 61801.
- In person requests should be made at the Records Service Center, 901 W. Illinois Street, by 4:45 PM on the first day of instruction of the term you wish to cancel.

You may cancel your registration provided you have neither attended any classes nor received any related student services.

If you either attend a class or use campus services and then wish to leave the University, you must officially withdraw.

Withdrawal from the University

To withdraw, you must follow established withdrawal procedures beginning with completion of a withdrawal form available from the office of the dean of your college or graduate department.

To obtain a partial refund of fall semester registration charges, you must deposit a completed withdrawal form at the Records Service Center, 901 W. Illinois Street, no later than 4:45 PM, Friday, November 3, 2000. No refund is available thereafter. In cases of extenuating circumstances, such as medically documented illness or injury, an exception to the refund period may be made by the director of admissions and records, acting on a petition submitted by a student. Petition forms are available at the Records Service Center, 901 W. Illinois Street.

If you officially withdraw within the refund period, you will receive a pro-rata refund based upon the date on the withdrawal clearance form.

Withdrawal form received by 4:45 PM on:	Percent of assessed tuition and refundable fees refunded
Aug 23, 2000	100 percent (cancellation)

Sept 8, 2000	90 percent
Sept 15, 2000	80 percent
Sept 29, 2000	70 percent
Oct 13, 2000	60 percent
Oct 20, 2000	50 percent
Nov 3, 2000	40 percent

Assessed tuition, the Service Fee, the General Fee, and the Transportation Fee are refunded on a pro-rata basis less a pro-rata administrative fee of 5 percent of the assessed amount or one hundred dollars ($100), whichever is less. The Health Insurance and Health Services Fees are nonrefundable.

If you withdraw, you continue to be covered by health insurance and are eligible to receive health services (if you paid these fees) until the first day of instruction for the next term. Before a refund is made to you, the University must make a refund to appropriate financial aid programs providing assistance to you. If you are indebted to the University at the time of withdrawal, you will have the amount owed deducted from the amount of any refund available.

If you are permitted to pay tuition and fees on the installment plan, or if you make no payment at all, and then withdraw from the University, you are liable for the full amount of tuition and fees originally assessed less applicable refunds.

Special refund policies apply to those who withdraw to enter either active duty in the armed forces or other approved national defense service.

General Information

Addresses and Phone Numbers Are Important

Have you moved recently or since you were last enrolled? Be sure to keep the Office of Admissions and Records informed of your current address and telephone number. That way you will not miss receiving important registration, college, and related information.

Each student is responsible for keeping the following addresses current on U of I Direct:

- local address (for mail sent during the term; this address is automatically updated for students living in University residence halls)
- permanent address (for mail sent between terms)
- emergency address

You may also update your telephone information on U of I Direct. The University phone operators' listings, the *Student/Staff Directory*, and your entry in the online phone book will include the phone number listed in U of I Direct.

Student Records Policy

It is University policy to comply fully with the Family Educational Rights and Privacy Act of 1974 as amended. The University will not disclose information that it maintains as part of its normal course of business without the consent of the student. For complete information concerning record release and student access rights, refer to Rules 60 through 68 in the August 1999 *Code of Policies and Regulations Applying to All Students* (see http://www.uiuc. edu/admin_manual/code).

The University has designated certain categories of information as directory information. Students' consent to release this information is implied. A currently enrolled student may instruct the University to withhold one or both categories of directory information by submitting a request form to the Office of Admissions and Records prior to the end of the fifth day of instruction for a term. Regardless of a student's enrollment status, a request to withhold directory information remains in force until the student submits a subsequent request removing the restriction. Forms may be obtained and filed at the Records Service Center, 901 W. Illinois Street.

Personal Information

- The student's name
- Addresses
- Telephone numbers
- Date of birth
- Weight and height, if an athletic team member

Academic Information

- The student's name
- College
- Curriculum and major field of study
- Class level
- Dates of attendance
- Full- or part-time status
- Institutions previously attended
- Degrees, honors, and certificates received or anticipated
- Eligibility for membership in registered University honoraries
- Participation in officially recognized activities and sports

If a student has elected to withhold either personal or academic information, the University will respond to inquiries as follows: **"The student has instructed us not to reveal this information."**

If a student has elected to withhold both categories of directory information, the University will respond to inquiries as follows: **"There is no information available for any student by that name."**

Identification Cards

Each student is issued a permanent photo identification card which must be retained by the student while registered at the University. The ID card remains the property of the University, and any student who alters or intentionally mutilates a University ID card, who uses the ID of another, or who allows his or her ID card to be used by another may be subject to discipline. A charge of $20 (amount subject to change) is assessed for replacing each lost, mutilated, confiscated, or stolen photo ID card.

You are required to present your ID card for identification purposes at the request of an agent of the University when the agent is acting in the performance of his or her supervisory or security function (e.g., examination proctor, police officer, residence hall director or adviser, gymnasium supervisor, ticket taker, or usher). You may be subject to discipline if you refuse to provide your University ID card when requested by an agent of the University.

When performing his or her duties, an agent of the University may confiscate your ID card if an individual other than yourself attempts to use the card to represent him/herself as a duly registered student, if the ID card you present is not valid at the time you attempt to represent yourself as a duly registered student, or if the ID card is reported as lost/stolen or replaced.

If you cannot find your ID card, go to or call the Campus ID Center and complete a Lost/Stolen Property Report *immediately.*

Questions regarding the issuance of ID cards may be directed to the Campus ID Center, Room 204, Illini Union Bookstore, 809 South Wright Street, or call 244-0135.

Students with Disabilities

Students with disabilities who have not registered for services with the Division of Rehabilitation Education Services, 1207 S. Oak Street and who wish to request accommodations for any or all of the classes in which they are registering, should contact the Coordinator for Student Services with the Division at 333-4602 (voice) or 333-1970 (TTD).

Compliance with State Immunization Law

Each admitted applicant entering the University after July 1, 1989, is subject to the requirements of Illinois Public Act 85-1315, which requires students to provide evidence of immunity to certain vaccine-preventable diseases. All students subject to the provisions of this law have received a copy of the McKinley Health Center Student Health Report form with their Notice of Admission. Students who fail to return the form by the date shown are encumbered for the next term. Students who fail to comply with state law before the start of the next term are prohibited *by law* from enrolling in that or any subsequent term.

Semester Hour Requirements

Undergraduate students are required to pursue a normal program of study, which varies by college and curriculum. More or less than a normal program may be permitted only by authority of the dean of the college or his/her designated representative.

For undergraduate, graduate, and professional students, the minimum program required in a semester for receipt of maximum educational benefit payments under the Veterans Readjustment Benefits Act of 1966 and receipt of social security benefits as a dependent is 12 semester hours or 3 units.

Classification of Students

The Registrar's Office uses only the following definitions in the classification of enrollment:

Full-time Students:	**Undergraduates**	**Graduate Students**
Fall and Spring Semesters	12 or more hours	3 or more units
Half-time Students:		
Fall and Spring Semesters	6 to 11.5 hours	1.5 to 2.75 units
Class Level:		
Freshmen	0 to 29.9 hours	
Sophomores	30 to 59.9 hours	
Juniors	60 to 89.9 hours	
Seniors	90 hours and above	

Graduate students are certified as advancing one year of study if they were registered in two semesters. Graduate students on a consecutive summer-session-only pattern are advanced one year after completion of three eight-week summer sessions. A graduate student may not be certified as having advanced one year more than once within a twelve-month period.

Intercampus Registration Program

The Intercampus Registration Program is intended to allow students at one campus of the University the opportunity to take advantage of opportunities unique to another campus of the University without having to transfer. It is not designed to replace concurrent enrollment or transfer. The program also provides for summer enrollment at another University campus should financial aid be required. For complete information see the web site at **http://www.uoapa.uillinois.edu/intercamp/intercampus.html**

Transcripts of Courses and Grades

A student in debt to the University is not entitled to receive a diploma or an official statement or transcript of credits until the indebtedness has been paid or suitable arrangements for payment have been made, unless the student has pending a bankruptcy petition seeking a discharge of all such indebtedness, or such indebtedness has been discharged.

A student who graduates or withdraws from the University and has an outstanding loan from the University of Illinois will not be issued a transcript until he/she has completed an exit interview with the Office of Student Accounts and Cashiers, 162 Henry Administration Building.

The charge for an official transcript is $5 per copy (amount subject to change). The charge for a written certification of enrollment or other data is $4 per copy. The charge for additional copies *ordered at the same time and sent to the same address or picked up* is $2 per copy.

Transcripts may not be ordered by telephone. They must be ordered using the World Wide Web at http://www.oar.uiuc.edu/records/transcript.html, or by mail addressed to the Transcript Department, University of Illinois at Urbana-Champaign, 901 W. Illinois Street, Urbana, IL 61801. A check or money order made payable to University of Illinois must accompany the order. Payment may also be made using Visa, MasterCard, or Discover Card.

Nondiscrimination Statement

The commitment of the University to the most fundamental principles of academic freedom, equality of opportunity, and human dignity requires that decisions involving students and employees be based on individual merit and be free from invidious discrimination in all its forms.

It is the policy of the University of Illinois not to engage in discrimination or harassment against any person because of race, color, religion, sex, national origin, ancestry, age, marital status, disability, sexual orientation, unfavorable discharge from the military, or status as a disabled veteran or a veteran of the Vietnam era and to comply with all federal and state nondiscrimination, equal opportunity, and affirmative action laws, orders, and regulations. This nondiscrimination policy applies to admissions, employment, and access to and treatment in University programs and activities. Complaints of invidious discrimination prohibited by University policy are to be resolved within existing University procedures.

For additional information on the equal opportunity, affirmative action, and harassment policies of the University, or information on Title IX, ADA, or 504, please contact: For the Urbana-Champaign campus: Associate Chancellor William Trent, Third Floor East, Swanlund Administration Building, (MC-304), 601 East John Street, Champaign, IL 61820, (217) 333-4238; or Director Larine Cowan, First Floor West, Swanlund Administration Building (MC-304), 601 East John Street, Champaign, Illinois 61820; (217) 333-0885.

Health and Safety

Important information about alcohol and other drugs and about campus safety is available at http: www.uiuc.edu/safety/resources/. In compliance with federal law, this information describes campus policies and resources to help you manage your health and safety.

First-Year Discovery Courses

In the First-Year Discovery Program, entry-level undergraduates can choose from a variety of small, faculty-taught courses that provide an opportunity to interact with faculty and other students from the start. Discovery sections are offered in many formats and disciplines, but all have in common the goal of helping first-year students in the transition to the intellectual community of the campus. All Discovery sections are small, with enrollments limited to twenty students or fewer; all are faculty-taught and interactive.

Discovery courses are listed in the body of the Timetable, where you can find the complete information needed to register for the courses, including the call numbers as well as the lecture/lab/discussion section times and locations, and any enrollment restrictions. Descriptions of the courses and the faculty who will teach them can be found in the Discovery Booklet provided to all new freshmen students when they register during the summer. Course descriptions and faculty bios are also available at **http://www.provost.uiuc.edu/discovery/**.

Registration in the Discovery Program is restricted to first-year students. For a complete list of Discovery Courses, see the separate Discovery booklet, available May 2000. Booklets will be distributed at summer orientation.

Campuswide General Education Courses

Courses approved for campus-wide General Education credit are identified throughout the *Timetable* using the abbreviations below:

Comp II = Composition II
W = Western/Comparative Culture(s)
NW = Non-Western Culture(s)
US = US Minority Culture(s)
HP = Historical and Philosophical Perspectives
LA = Literature and the Arts
LS = Life Sciences
PS = Physical Sciences
QR1 = Quantitative Reasoning I
BS = Behavioral Sciences
SS = Social Sciences

Although all of the courses marked as General Education in the *Timetable* are approved on the campus level, they may not satisfy specific requirements in individual curricula. Therefore, campus-wide approval does not guarantee that a course will satisfy the requirements of a specific college or curriculum. Students in teacher education programs must consult the Council on Teacher Education General Education Course List when selecting their courses to meet General Education requirements. All other students should consult their advisors about selecting the General Education courses which best fit their programs of study.

Please note that some courses are part of a General Education sequence and all courses in the sequence must be taken to receive General Education credit.

For General Education requirements and current course lists, see the General Education Web site at **http://www.provost.uiuc.edu/gened.**

The 6-year retention rate for students who entered school in the fall of 1992 is 79%. This number is provided by the Office for Academic Policy Analysis. A complete student right-to-know report may be obtained from the Office of Public Affairs, 601 E. John, Champaign, IL 61820.

Courses Listings

The following *Timetable* of courses offered by the University is subject to whatever changes may prove necessary at registration time. Notices of all changes in time or place of meeting of classes will be supplied to advisers for checking program request materials during registration.

Arrangement

The arrangement of subjects in this *Timetable* is alphabetical. The courses offered in each subject are listed numerically with headings to indicate the students for whom they are designed. Courses for undergraduates (designed primarily for freshmen and sophomores) are numbered 100 to 199; for undergraduates who satisfy the published requirements, 200 to 299; for primarily junior, senior, professional, and graduate students, 300 to 399; for graduate and professional students, 400 and above. Following the title of each course is a statement of the requirements, if any, for admission to the course.

Class Periods

Class periods for each course are indicated by numerals for the hours of the day and by letters for the days of the week. For example, 8-9:50 MTUWTH indicates that class periods begin at 8:00 AM and continue for approximately two hours on Monday, Tuesday, Wednesday, and Thursday; 11 - 1220 TUTH means that class periods begin at 11:00 AM and continue for ninety minutes on Tuesday and Thursday. Any class beginning after 6:00 PM is indicated by the letters PM. For example, 730-920PM indicates that the class period begins at 7:30 PM and continues until approximately 9:20 PM.

Class Locations

The place of meeting of each class is shown by the number of the room and the name of the building. A listing of the building abbreviations may be found in this *Timetable.*

Credit

Credit for undergraduate courses is counted in semester hours. A semester hour is one class period a week for one semester or the equivalent in laboratory work, fieldwork, or approved independent study. The number of hours for which each course counts is shown under the course.

Credit for graduate courses is counted in units. The unit value of each graduate course is indicated under the course. No course may be taken for graduate credit unless it is so designated in this *Timetable* or its supplement. In general, 1 graduate unit is the equivalent of 4 semester hours of undergraduate credit.

Some courses have variable credit, such as 3 to 5 hours or 0 to 2 units; in registering for a course with variable credit, each student indicates the number of hours or units for which he or she intends to take the course on the U of I Direct screen at the time of registration.

A course may not be taken for zero credit unless such credit is specifically authorized in the *Timetable*.

Pending Sections

Pending sections are sections shown in the *Timetable*, but not yet open for students to register in. They are identified by the letters "PEND" in the space where the call number normally appears.

Departments may open pending sections later, if they have the staff to teach them and enough students enrolled. Once a pending section is opened, its call number appears both as an alternate selection on the registration screen, and in the *Timetable* listed in the World Wide Web.

You cannot enroll in a pending section until it is opened by the department. If you have questions about the possibility of a pending section being opened, please contact the department offering the course.

LAS LEARNING COMMUNITIES AT ILLINOIS FOR FIRST-YEAR LAS STUDENTS

For Fall 2000, The College of Liberal Arts and Sciences (LAS) is offering 60 new Learning Communities (LC) for first-year LAS students. Each of the 60 new LAS Learning Communities will have 16-25 first-year LAS students who are enrolled in the same sections of two-three classes each semester for the 2000-2001 academic year. Registration in a Learning Community also reserves for first-year students a place in some of the highest demand first-year courses, and each Learning Community will be able to work each week with an upperclass honors student who has extensive experience in study methods strategies which can assist the academic efforts of the first-year students.

These 60 LAS Learning Communities come in two different formats, based on the courses.

I. In LAS-LC #1 - #40, known as "Gen.Ed. Pairs" (General Education), every LC contains two courses per semester, each of which satisfies a different General Education requirement for graduation. In the course of the fall-spring semesters of 2000-2001 most members of a Gen.Ed. Pair-LC will have taken four courses of the minimal ten courses required and will have satisfied four different General Education requirements for graduation. A subset of the Gen.Ed. Pairs (#35 - #40) consists of six communities which also offer a living/learning experience through housing in the Pennsylvania Avenue Residence Halls.

II. In LAS-LC, #41 - #60, known as "Field-Prep. Pairs" (Field Preparation), each LAS-LC contains courses from two different departments which are required, foundation courses in that particular field, e.g., MATH 120 and CHEM 107/109 for students interested in biochemistry, chemical engineering, or the specialized chemistry curriculum. For the spring semester each member in a Field-Prep will enroll in the corresponding sequel to their fall semester course, e.g., an enrollment in fall in MATH 120 and CHEM 107/109 will be follow by an enrollment in spring in MATH 130 and CHEM 108/110. The course pairs each semester will also apply towards General Education requirements.

ASTR 121 and 122 cover the same topics as ASTR 100, but the material and topics are covered in much more depth over two semesters instead of one. ASTR 121 and ASTR 122 include two lectures each week and one weekly small discussion meeting for more individual attention. ASTR 121 and ASTR 122 are independent offerings and can be taken in any order. While ASTR 121 and 122 are for non-science majors, problem solving with basic algebra is required. Science and astronomy majors should take ASTR 210

STUDENTS SHOULD REGISTER UNDER ONE CALL NUMBER FOR THE LECTURE DISCUSSION SECTION OF THEIR CHOICE.

SECTIONS A2 AND B1-FIRST YEAR LAS LEARNING COMMUNITIES PROGRAM SECTIONS. PRIORITY REGISTRATION WILL BE GIVEN TO FRESHMEN PARTICIPANTS IN THE LAS LEARNING COMMUNITIES PROGRAM WITH SOME SEATS AVAILABLE FOR OTHER STUDENTS. FOR A LISTING OF LAS LEARNING COMMUNITIES, SEE THE FRONT PORTION OF THIS TIMETABLE.

SECTION D1: FIRST YEAR DISCOVERY PROGRAM. REGISTRATION RESTRICTED TO FRESHMEN. STUDENTS SHOULD ENROLL IN ONLY ONE DISCOVERY COURSE. STUDENTS WHO ENROLL IN MORE THAN ONE DISCOVERY COURSE MAY BE DROPPED FROM THE ADDITIONAL DISCOVERY COURSES. FOR COURSE DESCRIPTIONS, SEE THE DISCOVERY PROGRAM COURSE BOOKLET. FOR A LISTING OF DISCOVERY COURSES, SEE THE FRONT PORTION OF THIS TIMETABLE.

SECTION &: FOR CHANCELLOR'S SCHOLARS; OTHERS MAY ENROLL WITH CONSENT OF INSTRUCTOR AND THE DIRECTOR OF THE CAMPUS HONORS PROGRAM.

1 UNIT.
Defining Values for Research and Technology in the New Millennium: The University's Changing Role.
This interdisciplinary seminar will explore the values that shape research policy, including: (1) The challenge of articulating the values that should inform university and public research agendas; (2) The implications for research agendas of the dramatically changing relationship between research universities and governments, (3) The implications for research agendas of the dramatically changing relationship between research universities and the increasingly knowledge based global economy. A small number of advanced graduate students may register for this special topics course that meets with a weekly faculty seminar. Permission of the instructors is required.
This is NOT an independent study.

C S 100 FRESHMAN ORIENTATION IN COMPUTER SCIENCE.
1 HOUR.
Students should attend CS 100 beginning on October 10, 2000. For engineering students, this is immediately after the end of ENG. 100. Students may take the 4:00 section of ENG 100 as well as C S 100, since C S 100 begins after ENG 100 ends.
C S 100 should be taken by all freshman Computer Science majors in the Engineering College, and by all freshman Mathematics-Computer Science and Statistics-Computer Science majors in the LAS College. It may be taken by other students who are interested in Computer Science careers. Students other than those in the Engineering College, and those in LAS Math-CS and Stat-CS, must be authorized in Room 2270 DCL to register for this course. Authorization MUST be requested IN PERSON. Authorization will be given on a space-available basis.

4 HOURS.
Register for one LECTURE and one LABORATORY section.
Computer programming assignments will be written in the Java programming language, which will be taught as part of the course.
This course is not recommended for first-semester freshmen in any major.
This course is recommended only for Computer Science, Computer Engineering, and Electrical Engineering majors, and for Computer Science minors. Others should consider C S 101 or 105.
Graduate students may not schedule C S 125. Undergraduate students other than Computer Science, Computer Engineering, and Electrical Engineering majors may not schedule C S 125 until April 25, 2000.
For honors credit in this course, see C S 196 section &25.

The goal of this 2 semester project is to introduce students to the motivation and requirements for building intelligent and mobile information spaces and to engage them in learning how to design information appliances.
The project will 1) teach students how to design and build such spaces; and 2) encourage the use of these spaces in the existing computer science curriculum. Each student will be issued with an HP Jornada 680 and will have access to an HP Kayak workstation and Chai software development environment.
NOTE - STUDENTS ARE REQUIRED TO REGISTER FOR THIS COURSE IN AT LEAST TWO CONSECUTIVE SEMESTERS (summers may be excluded) TO RECEIVE ANY CREDIT FOR IT.

EDUCATIONAL PRACTICE

COUNCIL ON TEACHER EDUCATION 130 EDUCATION BUILDING

ADMISSION TO EDUCATIONAL PRACTICE (STUDENT TEACHING) IS LIMITED TO THOSE STUDENTS WHO ARE IN GOOD STANDING IN A TEACHER EDUCATION CURRICULUM APPROVED BY THE COUNCIL ON TEACHER EDUCATION.

ELIGIBILITY REQUIREMENTS FOR STUDENT TEACHING AND FOR RECEIVING A UNIVERSITY OF ILLINOIS RECOMMENDATION FOR CERTIFICATION ARE DESCRIBED IN THE COUNCIL ON TEACHER EDUCATION SECTION OF THE PROGRAMS OF STUDY CATALOG. CANDIDATES FOR UNIVERSITY OF ILLINOIS TEACHER EDUCATION DEGREES MUST COMPLETE EDUCATIONAL PRACTICE AS PART OF THE PROFESSIONAL SEMESTER WHICH IS GENERALLY TAKEN IN THE FALL OR SPRING SEMESTER OF THE CANDIDATE'S SENIOR YEAR. FEW PROGRAMS OFFER STUDENT TEACHING DURING SUMMER SEMESTER. FOR THOSE THAT DO, APPLICATION SHOULD BE MADE DURING THE MONTH OF APRIL. APPLICATION FORMS MAY BE OBTAINED FROM DEPARTMENTAL OFFICES. ELIGIBILITY INCLUDES HAVING A 2.5 CUMULATIVE AND UNIVERSITY GPA AND COMPLETION OF 100 CLOCK HOURS OF EARLY FIELD EXPERIENCES.

APPROXIMATELY ONE YEAR PRIOR TO THE SCHOOL YEAR IN WHICH THEY EXPECT TO ENROLL IN STUDENT TEACHING, STUDENTS MUST ATTEND AN INFORMATIONAL MEETING WHERE THEY WILL RECEIVE AN APPLICATION TO APPLY FOR A TENTATIVE STUDENT TEACHING ASSIGNMENT IN THE ILLINOIS PUBLIC SCHOOLS. THESE APPLICATIONS MUST BE COMPLETED AND PROCESSED PROMPTLY THROUGH THE APPROPRIATE DEPARTMENT. ALL STUDENT TEACHING APPLICATIONS MUST BE RECEIVED NO LATER THAN THE SECOND FRIDAY IN DECEMBER DURING THE YEAR PRIOR TO THE SCHOOL YEAR IN WHICH A STUDENT EXPECTS TO STUDENT TEACH. STUDENTS WHOSE APPLICATIONS ARE APPROVED WILL ENROLL FOR THE FOLLOWING SCHOOL YEAR. STUDENTS MAY NOT STUDENT TEACH IN THE HIGH SCHOOL FROM WHICH THEY GRADUATED.

SECTION E8 WILL BE TAUGHT USING THE MATHEMATICA SYSTEM AND IS FOR NON LIFE-SCIENCE MAJORS. STUDENTS TAKING THIS SECTION MAY ALSO ENROLL IN MATHEMTAICS 190P.
SECTION U1 IS FOR UNIT ONE STUDENTS ONLY.
SECTIONS WE1 & WE2 ARE FOR STUDENTS IN THE WESTON EXPLORATION PROGRAM ONLY.
SECTIONS W1, W2 & W3 ARE FOR MERIT WORKSHOP STUDENTS ONLY. STUDENTS MUST BE AUTHORIZED BY THE MERIT WORKSHOP DIRECTOR TO ADD THE SECTION
SECTIONS B9,E8,L1,M4,R4 ARE FIRST YEAR DISCOVERY PROGRAM COURSES. REGISTRATION IS RESTRICTED TO FRESHMEN STUDENTS SHOULD ENROLL IN ONLY ONE DISCOVERY COURSE STUDENTS WHO ENROLL IN MORE THAN ONE DISCOVERY COURSE MAY BE DROPPED FROM THE ADDITIONAL COURSES. FOR A LISTING OF THESE COURSES, SEE THE FRONT PORTION OF THIS TIMETABLE; FOR COURSE DESCRIPTIONS, SEE THE DISCOVERY PROGRAM COURSE BOOKLET.
SECTIONS M6,M7,P1 AND P5 ARE FIRST YEAR LAS LEARNING COMMUNITIES PROGRAM SECTIONS. PRIORITY REGISTRATION WILL BE GIVEN TO FRESHMAN PARTICIPANTS IN THE LAS LEARNING COMMUNITIES PROGRAM WITH SOME SEATS AVAILABLE FOR ANY STUDENT. FOR A LISTING OF LAS LEARNING COMMUNITIES, SEE THE FRONT PORTION OF THIS TIMETABLE.
SECTIONS WM1 AND WM2 ARE FOR STUDENTS IN THE WOMEN IN MATH, SCIENCE AND ENGINEERING (WIMSE) PROGRAM ONLY.

SCIENCE, EXCITEMENT AND PROGRESS ON THE ENDLESS FRONTIER
Each week, this seminar will meet to discuss reports of new scientific discoveries and achievements. The emphasis will be on the natural sciences (physics, astrophysics, chemistry, earth science, and space science), but occasionally discoveries in other fields will be covered. Weekly readings will be selected from the Science Times section of the Tuesday New York Times and from the most recent issues of the weekly journals Science and Nature. There will be two or three guest instructors over the course of the semester. Prerequsites: keen interest in science and a commitment to read 8-10 pages a week and a 200 page book, The Structure of Scientific Revolutions, over the course of the semester.
A first year Discovery Program course: priority registration given to freshmen. Students should enroll in only one Discovery course. Students who enroll in more than one Discovery course may be dropped from the additional Discovery courses. For a listing of these courses, see the front part of the printed timetable; for course descriptions, see the Discovery Program course booklet.

THE PHYSICS OF STRONGLY CORRELATED SYSTEMS
The physics of Strongly Correlated Systems is a central area of research in Condensed Matter Physics, motivated by the problem of understanding High Temperature Superconductivity It has many conceptual connections with other problems in Condensed Matter such as the Quantum Fractional Hall effects, Quantum Magnetism and Quantum Critical Behavior, the physics of quasi one dimensional conductors and quantum impurity systems. This course will discuss the main conceptual issues involved in the physics of Strongly Correlated Systems, as well as their connections with these other problems Topics to be covered include: The Hubbard Model; The Magnetic Instability in Fermi systems, The physics of one-dimensional Quantum Antiferromagnets, Quantum disordered states and Haldane gaps, The Sigma Model picture of antiferromagnets in one and two dimensions, Quantum critical behavior; The renormalization group, Spin liquids; Gauge theory and Strongly Correlated Systems, Fermi and Non-fermi liquids, BCS theory of superconductivity, The "normal state" of high Tc superconductors, Spin gaps and the underdoped cuprates, Experimental status; Non-Fermi liquids: Luttinger liquids in one-dimensional and quasi-one-dimensional systems quantum wires, carbon nano-tubes and quantum Hall edges; Failure of (naive) extensions to higher dimensions; Stripe phases and electronic liquid crystal states, Luttinger physics and its connections with the quantum Hall effect, and quantum impurity problems, Tunneling into non-Fermi liquids

Satisfies the physics graduate program "cafeteria" requirement This course will survey astrophysical phenomena and processes relevant to the evolution of the Universe and structures in it, from the formation of stars and galaxies at the earliest times to the final end states of matter as compact objects The emphasis will be on developing an understanding based on the underlying physics Exciting recent developments will be described. Specific topics will include big bang cosmology and the cosmic microwave background radiation, formation, interaction, and evolution of galaxies; formation, structure, and evolution of stars; dynamics of stellar systems, white dwarfs, supernovae, neutron stars, and black holes, physics of accretion disks, the fate of the universe Topics of special current interest will include cosmological inflation, dark matter in the universe, powerful gamma-ray bursts, feeding of quasars, generation of radio and X-ray emission by supermassive black holes, gravitational lensing, sources of gravitational radiation, and the solar neutrino problem Course work will consist of weekly homework problems, a mid-term exam, and a final exam. The course will be based on lecture notes and readings, and will be taught at the level of the Astrophysics I and II texts by Bowers and Deeming

to students from standard physics courses Numerical methods discussed will include solving ordinary and partial differential equations, linear algebra and eigenvalue problems, Monte Carlo techniques, FFTs, etc Students will work on assigned numerical exercises and simulations both individually and in small teams The results of these simulations will be presented in class periodically and will constitute an integral part of the class development. The emphasis throughout the semester will be on building confidence and expertise at solving physical problems on the computer
Prerequisites. No formal requirements other than a working knowledge of some scientific programming language like Fortran, C, or C++ Graduate students and upper level undergraduates with solid backgrounds in basic physics are welcome This course should only be taken by students who plan to participate actively

The final examination for a course is scheduled according to the full or half hour on Monday or Tuesday on which the class first meets regularly during the semester. For example, if a course meets regularly at 10:00 AM on MWF, the examination must be given from 8:00 to 11:00 AM on Tuesday, December 12. The final examination for a course meeting regularly on TuTh from 2:30 to 4:00 PM must be given from 8:00 to 11:00 AM on Saturday, December 16.

In a course having a combination of lecture and discussion and/or laboratory periods, the first *lecture* hour of the week is considered the first contact of the week for purposes of determining examination time. Call 244-9851 with questions about this.

For a course not provided for in the examination schedule (i.e., one that meets for the first time on Wednesday or later), an arranged examination is to be given within the established examination schedule at the discretion of the instructor and at a time to avoid conflicts. A conflict examination must be given if necessary. The instructor must call the departmental office to schedule the room for the examination.

Any College of Education course at the 300- or 400-level that meets once a week must have a final examination on the same day and at the same time that the class regularly meets. The Office for Project Planning and Facility Management will make room assignments for such courses.

Fall Semester 2000 Noncombined Final Examination Schedule

December 11 Through December 16, 2000[1]

This schedule does not apply to courses in the Colleges of Law and Veterinary Medicine, which publish separate schedules.

Illinois law requires the University to reasonably accommodate its students' religious beliefs, observances, and practices in regard to admissions, class attendance, and the scheduling of examinations and work requirements. All regulations governing final examinations will be applied in the context that an individual student's religious beliefs, observances, and practices will be reasonably accommodated if the student informs his or her instructor of the conflict within one week after being informed of the final examination schedule. Any student may appeal in writing an instructor's adverse decision to a request based on religious beliefs, observances, and practices; such appeal must be made to the dean of the student's college or to the director or dean of the student's school or institute (if such school or institute is organized as a separate unit). Before taking action, the dean or director should request that the instructor explain his or her denial in writing.

Requirement

A final examination must be given during the scheduled final examination period for each course except in a course that has a character that renders a final examination unnecessary or impracticable. The head or chairperson of the academic department in which the course is offered determines when a final examination is not required.

Time of Examination

An instructor must give a final examination at the time specified in the published schedule unless a change is approved in advance through the Office of the Vice-Chancellor for Academic Affairs. A request for change must be submitted through the executive officer of the department or school (if applicable) in which the course is offered

[1]An examination for a first-half-session course should be scheduled at the end of the first-half-session period. If such an examination is not scheduled in the regular classroom at the time the class usually meets, a special examination room must be reserved through the Office for Project Planning and Facility Management, 333-1230.

and the dean of the appropriate college. **Requests for examination changes should be made only in cases of legitimate need and not just for the convenience of students and instructors.**

A request for change in the examination schedule will not be considered for approval unless the instructor

- has polled the class to determine that an alternative date is desired by a majority of the class members, and
- also offers the examination at the regularly scheduled time if some choose not to take it at the alternate time, and
- has contacted the Office for Project Planning and Facility Management (244-9851) and has assurance that space is available in which to give the examination at an alternate time if approved. The Office for Project Planning and Facility Management will not confirm space availability for early examinations until the twelfth week of the semester.

No semester final examination should be given during a "regular" class period unless this is deemed necessary by virtue of the course or the examination (e.g., a laboratory "practical" examination as one part of a final examination).

NOTE:

Undergraduate Students: Except as provided for a request based on religious beliefs, observances, and practices, only the dean of a student's college may approve temporary postponement of the final examination in an individual case of an undergraduate student.

Graduate Students: A student's instructor is authorized to approve a request for postponement of the final examination in an individual case of a graduate student.

Place of Examination

An examination will be held in the room where the course meets for the first lecture contact hour of the week, except in the case of a combined-sections examination, an examination for a course in which the instructor has requested additional space for the final examination, or a specifically scheduled examination. Instructors are to announce any special or changed room assignments.

Take-Home Examination

If a take-home final examination is assigned, it is to be submitted by the student at the time and date of the regularly scheduled final examination. An instructor who wishes to depart from this practice, must follow the procedure for changing the final examination schedule as stated elsewhere in this section.

Length of Examination

The maximum limit for an undergraduate final examination shall be three hours, except by special arrangement in individual cases approved by the dean of the appropriate college. At the discretion of the department, a shorter examination may be given.

Conflicts

Normally in a semester several combined-section, conflict, and noncombined examinations are given at the same time. As a guide to resolving conflicts, an order of priority has been established within each examination period, and a student should resolve a conflict using the published examination schedules and the following priority guidelines.

1) National and state professional examinations (e.g., CPA, actuarial science, Architect Registration Examination) take priority over campus final examinations. An instructor must offer a conflict examination to a student scheduled to take national or state professional examination and a campus final examination at the same time.

2) A noncombined examination has precedence over combined-sections and conflict examinations.

3) Combined-sections examinations have precedence over conflict examinations.

A department offering a combined-sections final examination must provide a conflict examination if required to accomodate student conflicts.

A detailed combined-sections and conflict final examination schedule will be made available to departments on the Web.

Students Having More than Two Consecutive Final Examinations

No student is required to take more than two consecutive semester final examinations. This means that if you take final examinations at 8:00 AM and 1:30 PM on the same day, you cannot be required to take another final examination that same day; however, you are required to take an examination scheduled for 8:00 AM the following day.

Similarly, if you have a final examination at 7:00 PM one day and another at 8:00 AM the next day, you cannot be required to take an examination at 1:30 PM that second day; you can, however, be required to take an examination at 7:00 PM of that second day.

If you have more than two consecutive final examinations scheduled, you are entitled to rescheduling, provided you take the following actions *no later than the last official day of instruction in the semester (December 8):*

- You must investigate whether a conflict examination is being held at another time for any of the examinations involved. (Instructional staff members are urged to announce any conflict final examinations by the last day of classes.)
- If a conflict examination has been scheduled for any of the courses, you must take one or more of these conflict examinations. If conflict examinations are offered for more than one course, the student must take the conflict for the course that has the largest number of students.
- If no conflict examinations have been scheduled, you should contact the instructor of the course having the largest number of students. That instructor **must** provide a makeup examination. Remember, you must initiate contact with the instructor involved no later than the last day of instruction.

Discipline for Violations of Academic Integrity

Procedures to be followed in cases of alleged cheating on final examinations may be found in the *Code of Policies and Regulations Applying to All Students, which* is available on the Web (http://www.uiuc.edu/admin_manual/code).

TIME MANAGEMENT

IF YOU'RE HAVING TROUBLE MANAGING YOUR TIME, HERE ARE SOME TIPS TO HELP YOU GET THINGS DONE!

Each morning, make a list of the most important projects that need to be done for that day and

Always give yourself realistic time limits to complete each project.

Do not try to do too much in one day.

Do not move to the next item on the list until the previous item has been finished.

Whenever you attain a new project, write it down and re-prioritize your project list.

Welcome To U of I Direct Registration

When you use your Network ID and password to access **U of I Direct** from personal computers at multiple locations on campus (or via dial-up with modem), you will be welcomed to **U of I Direct** registration, followed by a request to verify your local address and the Main Menu of Options. You then select an option by pressing the appropriate key(s) on the keyboard.

A registration checklist and a schedule planning form, included in the *Timetable*, will help you develop your schedule before you log onto **U of I Direct**.

You are assigned a Registration Time based on the number of hours/units completed or in progress, according to campus policy. Through **U of I Direct** you can:

- register and add/drop classes
- update your address and telephone information
- provide information on appointment/graduation status
- obtain a copy of your class schedule

Some classes are listed in the *Timetable* as "authorization only." Contact the department for approval before using the **U of I Direct** system to register in one of these classes.

The **U of I Direct** system will control for registration time, class size, academic program, maximum credit, advising hold (if applicable), and encumbrances. If an advising hold has been placed on your record, it must be removed before you can register. You should resolve all encumbrances as soon as possible. If you have an encumbrance on your record, access to **U of I Direct** to register or to drop or add classes will be blocked approximately three weeks prior to the first day of instruction. **If you have an encumbrance on your record as of 5:00 PM the first day of instruction, your course registration for the term will be cancelled.** You can avoid having your course registration cancelled by resolving encumbrances.

The Records Service Center will be available from 8:30 AM until 4:45 PM, Monday through Friday at 901 W. Illinois Street. If you need information or assistance using **U of I Direct**, call 333-6565.

Introduction to the Timetable

The *Timetable* is the listing of course offerings for the term, and includes instructions on when, where, and how to register and drop and add classes; tuition, fees, and billing information; academic calendar information; how to get a replacement ID card; etc. Therefore, please keep it for future reference. Updated information on course offerings is also available by checking the timetable course section information on the Web (**http://www.uiuc.edu/timetable**) and from college and departmental advisers.

While every effort is made to provide accurate and up-to-date information, the University reserves the right to change without notice statements in the *Timetable* concerning rules, policies, procedures, tuition, fees, curricula, courses, or other matters. All course registrations are accepted subject to enrollment conditions set by the offering departments. In addition, colleges and departments reserve the right to:

- impose enrollment requirements and prerequisites,
- reassign students to other sections in a course,
- withdraw students from certain courses or sections after enrollment,
- cancel course offerings or sections for legitimate educational reasons.

Students considering enrollment in military science, naval science, or air force aerospace studies courses should be aware that University policy prohibits discrimination on the basis of sexual orientation; students may enroll in these courses regardless of sexual orientation. As of the date of printing of this publication, students seeking to enroll in ROTC are not asked to disclose their sexual orientation. However, homosexual conduct is grounds for disenrollment from the program.

Student Responsibility

- You are responsible for knowing and adhering to the policies, deadlines, and procedures in the *Timetable*. Careful reading of the various sections of this booklet will help you avoid enrollment problems.
- **U of I Direct is the University of Illinois at Urbana-Champaign system to register for courses by computer. When you do so, you agree to pay tuition and fees to the University according to the payment policies and schedules adopted by the Board of Trustees. If you wish to cancel your registration, and thus avoid payment of tuition and fees charges, you must do so by 5:00 PM of the first day of instruction.**

  Unauthorized use of University of Illinois computer systems, data, or resources; unauthorized use of another individual's identification, account, or password; or an attempt to gain unauthorized access is prohibited by University policy and may constitute a violation of Illinois state law. Access to U of I Direct will be terminated if you are found to be making excessive unsuccessful registration attempts. See page 10 for details.
- As an enrolled student, you are responsible for knowing and complying with the regulations of the University, your college, and the departments offering the courses you are taking, and for fulfilling the requirements for your particular degree. You may obtain the regulations of your college at the college office.

You are expected to conduct yourself at all times in accordance with accepted principles of responsible citizenship and with due regard for the rights of others.

You are advised to obtain a copy of the *Code of Policies and Regulations Applying to All Students*. That publication is available for inspection at college and departmental offices and libraries, at the Illini Union Information Desk, the Student Organizational Complex in the Illini Union, in the lobby of the Turner Student Services Building, and the Records Service Center, 901 W. Illinois Street. *The Code* is also available on the Web (**http://www.uiuc.edu/admin_manual/code**).

Notice

The Family Educational Rights and Privacy Act affords students certain rights with regard to their educational records. See **http://www.oar.uiuc.edu/records/index.html** (Notice of Rights with Respect to Educational Records) for the complete text of the Notification of Rights and page 24 of this document for additional information concerning educational records.

Notice to Commencement Participants

Graduates participating in a campuswide Commencement ceremony (as well as most unit Convocation ceremonies) are required to wear appropriate academic attire. Candidates from all colleges except Veterinary Medicine may be measured for caps and gowns in Room 210 (General Lounge) of the Illini Union at any one of the following times:

Tuesday, April 17	10:00 AM - 3:00 PM
Monday, April 23	10:00 AM - 3:00 PM

Additional opportunities to order regalia will be available via the Web. You are strongly advised to order a cap and gown if there is even a slight possibility of participating in a graduation ceremony. Rental fees are assessed only if the attire is picked up during the cap and gown distribution period.

You must order your cap and gown by April 23.

Campuswide Commencement guest tickets for all but doctoral candidates will be issued at the time of cap and gown measurement. Doctoral candidates will receive their tickets from the Graduate College. Tickets are not required for participants.

Registration Procedures

1. Registration Time - Invitation to Register

All eligible continuing and re-entry students are assigned a Registration Time, according to priorities established by campus policy. This is the first time a student can access **U of I Direct** registration for the term. You will be informed of your Registration Time in your Invitation to Register from the Office of the Registrar, mailed to your local address, approximately two weeks before the start of the Early Registration Period. If you do not receive this mailing, please go to the Records Service Center, 901 W. Illinois Street. Within each priority grouping, Registration Times are assigned in intervals first by the number of hours earned plus the number of hours (if any) in progress. Further assignment, as necessary, is done randomly by student ID number.

2. Eligibility to Register

In general, students currently enrolled in degree programs can register early for the 2000 spring semester. You may **not** register early if you are:

- A part-time nondegree student.
- A student who will graduate before the spring semester begins, unless you have been admitted to an Illinois graduate, professional, or second baccalaureate degree for spring semester 2000.
- A student newly admitted to a University degree program. Information about your initial registration procedures will be included in your Notice of Admission.

3. Advising Hold

Academic advising is recommended for all students and is required in most programs. You are encouraged to meet with your adviser to discuss your plan of study before using **U of I Direct** to register.

An advising hold may be placed on your record if you are in a college/department in which advising is a prerequisite to registration. In such cases you must complete an advising session before your college/department will clear you to enroll using **U of I Direct**. For additional information on the advising hold, please contact your college office.

4. Encumbrances

Academic and administrative offices may place encumbrances on your record for academic reasons, funds owed to the University, judicial reasons, and for failure to meet medical/immunization requirements. If you have an encumbrance(s) on your record, resolve it with the appropriate campus office as soon as possible. You will be informed of any encumbrance(s) on your Invitation to Register, your Official Class Schedule, and each time you access **U of I Direct**. An encumbrance will not prohibit you from participating in early registration, and you can continue to use the system to make course changes until your Official Class Schedule is mailed to you approximately three weeks prior to the beginning of the term.

After the Official Class Schedule is mailed, however, all encumbered students will be blocked from access to the **U of I Direct** registration sequence. Students will be alerted to the presence of any encumbrance(s) on the Official Class Schedule and directed to the appropriate office(s) to resolve them. **Failure to resolve the encumbrance(s) prior to 5:00 PM of the first day of instruction will result in cancellation of your course registration for the term.**

5. Enrollment Requirements and Prerequisites

Many courses carry prerequisites and other enrollment requirements such as "consent of instructor," "enrollment limited to majors," "seniors only," "honor students," etc. These requirements are listed with each course and many are computer controlled. You are expected to comply with these prerequisites and enrollment requirements. Failure to do so may result in your being removed from the course. Should you have questions regarding these requirements, please contact the teaching department.

6. "Authorization Only" Courses

Some courses require departmental authorization prior to registration. If you are interested in an "authorization only" course listed in the *Timetable* you should consult the teaching department prior to your Registration Time. If you meet the enrollment requirements for the course, the department will authorize you online to enroll in the course. You, in turn, must register for the course using **U of I Direct.**

7. Maximum/Minimum Enrollment Levels

The maximum amount of credit in which a student can enroll without special overload approval from his/her college office is:

Fall and Spring Terms	
Undergraduates	18 hours
Graduate, Vet Med, Medicine	5 units (20 hours)
Law	16 hours
Summer Session 1	
Undergraduates	4 hours
Graduate, Vet Med, Medicine	1.5 units (6 hours)
Law	6 hours
Summer Session 2	
Undergraduates	9 hours
Graduate, Vet Med, Medicine	3 units (12 hours)
Law	6 hours

Should you wish to enroll above the established maximum, consult your college office.

U of I Direct will display a warning message if you are not enrolled in a full course load for the term. Enrollment below the minimum may jeopardize your financial aid status, progress toward a degree, or your visa status if you are an international student. Full-time enrollment for undergraduate students is 12 or more hours; for graduate students, 3 or more units.

During the fall and spring semesters, full-time undergraduate and professional students will not be permitted to reduce their credit load below 12 hours after the first day of instruction. College approval is required to carry a load of fewer than 12 hours.

8. Credit-No Credit

The credit-no credit grading option is designed to encourage students to explore areas of academic interest that they might otherwise avoid for fear of poor grades. All students considering this option are cautioned that many graduate and professional schools consider applicants whose transcripts bear a significant number of nongrade symbols less favorably than applicants whose transcripts contain none or very few. Likewise, in computing a preadmission grade-point average, some schools may convert the NC symbol to a failing grade because they do not know whether the actual grade was a D or F.

Credit-no credit courses are not counted toward the grade-point average, but are included as part of the total credit hours and are assessed as credit hours.

Instructors are not informed of those students in their classes who are taking work under the credit-no credit option, and they report the usual letter grades at the end of the course. These grades are automatically converted to CR or NC. Grades of C- or better are required to earn credit.

The credit-no credit option is not available on **U of I Direct**. Should you wish to elect this option, please consult your college office or graduate department.

9. Policy on Intercollege Transfer

An intercollege transfer applicant is one who is currently registered in an undergraduate college at University of Illinois at Urbana-Champaign and who wishes to be considered for admission to another undergraduate college at Urbana. Intercollege transfer applicants are considered on the basis of the intercollege admission requirements of the new college and availability of space in the chosen programs. This policy does not apply to the Graduate College or a professional college.

The campus has designated two periods each term for intercollege transfer. They are:

- **Two weeks prior to the beginning of the Early Registration Period for each term. Curriculum changes will not be allowed after early registration begins.**
- **One week prior to the start of instruction for the term and through the first week of instruction.**

If you intend to apply for intercollege transfer, you should do so within these designated time frames. **Your access to certain courses is dependent upon your college of enrollment.**

10. Student Health Insurance

The University's Board of Trustees requires that all students be covered by a health insurance plan, either the University's Student Health Insurance Plan or a plan determined by the University to be an equivalent plan. Requests for exemption from the health insurance fee, purchase of dependent coverage, etc., are limited to specific time periods at the beginning of each semester. See Student Health Insurance Plan section in the Timetable for deadline dates and instructions.

How to Use the World Wide Web *Timetable*

The *Timetable* is also on the campus network (UIUCnet), via a service called the "World Wide Web" (WWW).

The WWW version allows convenient browsing of the *Timetable* with the following advantages:

- Timeliness: It is updated every night from **U of I Direct** data.
- Cross-referenced information: Every course is linked to more complete course descriptions found in the on-line *Course* catalog.
- Helpful information: Supplemental information is available, e.g., links to a campus map showing class location.
- You can search it via an easy-to-use index.

The WWW Timetable can be viewed on the network by using a browser program on a PC, Mac, or UNIX system. Some common browsers are NCSA Mosaic, Netscape, or Lynx. If you are familiar with using a WWW browser (i.e., if this computer jargon hasn't bewildered you), you may view the *Timetable* using the following URL (the "address" of the *Timetable* on the WWW):

http://www.uiuc.edu/timetable

A document explaining in greater detail how to view the WWW *Timetable* may be obtained at most CCSO locations, including computer sites across campus and the CCSO Resource Center (1420 DCL, 244-1258). Ask for "Using the WWW Timetable on the Campus Network." Consultants in the Resource Center can also help you learn about WWW browsers.

The WWW browsers are available on all CCSO site computers, so you may view the WWW Timetable at any CCSO site.

U of I Direct Network ID and Password

To access **U of I Direct**, you will use your Network ID and password. All students are assigned a Network ID and password when they are admitted to the University.

As with any computerized system, security of the data is a primary concern. In order to maintain the security of your student records and class schedule, it is imperative that you protect your Network ID and password. NEVER tell anyone your password. NEVER let someone use your Network ID and password. The importance of your password is much like that of a bank card PIN — ALWAYS protect the privacy and security of your password. You are encouraged to change your password periodically to maintain the security of your Network ID.

You may change your netid password using a secure online Web page at **http://www-s.uiuc.edu/bluestem/kpasswd.cgi.** You may also change your password using a computer at any CCSO site. Staff at these locations can assist you. A document entitled, "Changing Your Network ID and Password" is also available at these sites, and it describes the procedure you use to change your password. If you forget your password, go to the CCSO Resource Center, 1420 DCL (8:30 AM-5:00 PM, Monday through Friday) to have your password reset so you can resume using your Network ID.

If you have questions or concerns about your Network ID and password, contact the CCSO Resource Center (1420 DCL, 244-1258).

Locations—Where Can I Register?

- **Dial-up Access via Modem**

You may access **U of I Direct** using a modem. For complete details, see the section entitled "**U of I Direct** Registration Instructions."

✔ U of I Direct *Registration Checklist*

✔ Have Your U of I Direct Registration Materials

To register for courses using **U of I Direct** you need:

- **U of I Direct** Schedule Planning Form (located in the back of the *Timetable*)
- Your Network ID and password
- Your Registration Time from your Invitation to Register

If you did not receive your Invitation to Register, contact the Records Service Center, 901 W. Illinois St., 333-6565.

✔ Meet with Your Adviser to Plan Your Program of Courses (and Alternative Course Selections) for the Term

- Before your Registration Time, meet with your adviser to discuss your program of study for the term.
- Discuss with your adviser alternative course selections in case your first choice offerings are full/unavailable to you.
- Complete the Schedule Planning Form as a guide.

✔ Prepare for Enrollment Restrictions that May Be Placed by Departments

- **Consent Instructor/Authorization Required:**
  If you plan to select courses requiring consent of instructor or departmental approval, contact the department offering the course to obtain permission **prior** to registering via **U of I Direct**. Approval to register in authorization only courses is entered into the U of I Direct system on-line by the department offering the course. You, in turn, must register for the course using U of I Direct.
- **Independent Study Courses:**
  Independent study courses require the instructor's permission before registering. If you select an independent study course, obtain permission from the instructor **prior** to registering via **U of I Direct**.
- **Courses with Prerequisites:**
  Many courses have prerequisites. The prerequisites are intended to help you succeed in the course. You are expected to comply with them. You may be removed from a course for failure to comply with the prerequisites.
- **Courses with Restrictions:**
  Some courses have restrictions which limit registration to students meeting certain criteria, e.g., college, curricula, yearin school, honors, or placement test scores. Many restrictions are computer controlled. You may be removed from a course if you do not meet the course criteria. Consult the department offering the course if exceptions to these restrictions are required.

✔ Clear Advising Hold and Encumbrances

- If you have an advising hold and/or an encumbrance(s) on your record, that information will appear on your Invitation to Register and on the **U of I Direct** system.
- The advising hold must be cleared on-line by your college or department before you can register using **U of I Direct.**
- An encumbrance should be resolved as soon as possible, but will not block your access to **U of I Direct** registration until after your Official Class Schedule has been mailed to you, approximately three weeks prior to the first day of instruction for the term. **If you have an encumbrance on your record as of 5:00 PM on the first day of instruction, your course registration for the term will be cancelled.**

✔ Use a Computer on Campus (or via Modem) to Register

- With the foregoing steps completed, use your Schedule Planning Form (located in the back of the *Timetable*) as a guide to register in courses via **U of I Direct**. There are multiple points of access to **U of I Direct** conveniently located on campus. Many of these locations are listed in the *Timetable*. Dial-up access via modem is also available.
- NEW: This year, students can download the **U of I Direct** software to their own computers and run the application over a modem. See **http://www.uiuc.edu/ccso/pubs/connect/kermit/** for more information about downloading this program.

✔ Register for a Complete Schedule

- You are advised to register for a complete schedule of courses for the term as soon as possible following your Registration Time.
- Although additional seats **may** become available in a **few** courses, and additional sections **may** be added to **some** courses prior to the start of the term, you should **not** delay completing your schedule on the assumption that seats will eventually become available in courses which have closed.
- Complete a workable course schedule early, even if every course is not your first choice.

✔ Verify Your Addresses

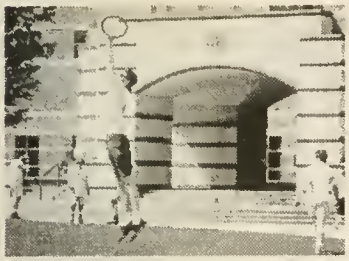
- You are required to provide a local and a home address. If either is blank, **U of I Direct** will require that you provide the addresses before you will be allowed to add courses.
- Make certain that your local, home, and emergency addresses are correct so that you don't miss any important information from the University.

✔ Graduate Students: Check Your Appointment

- A graduate student with a teaching or research appointment must choose menu option F from the **U of I Direct** Main Menu. Select the letter that corresponds to the percent time of your appointment to ensure that you receive proper credit for your tuition and service waivers.

✔ If you are receiving a degree at the end of the term

- Be sure to choose menu option E to petition for your degree.



U of I Direct *Registration Instructions*

- ## Logging on to U of I Direct

Once at a computer on campus that has **U of I Direct** registration software, use the following instructions to access the system. Carefully follow the provided instructions that explain the necessary way to exit the system. Failure to do so may compromise your password.

From a Macintosh on Campus

To log on:

- Double click on the icon entitled "**U of I Direct** Registration." A dialog box will prompt you to "Please enter your Network ID and password." The location of this program will vary depending upon which computer you use. In the CCSO public sites, the U of I Direct registration program can be found in MAC_APPS:U of I Direct.
- Press the <Tab> key until the Network ID field is highlighted.
- Type in your Network ID.
- Press the <Tab> key. The password field should be highlighted.
- Type in your password.
- Press <Return>. After a brief delay, you will see a message that says "Welcome to the **U of I Direct** System."
- Follow the instructions on the screen to continue. Complete your registration.

To log off:

- Choose option "X" on the Main Menu and press <Return>.
- From the exit screen, choose "X" to exit the **U of I Direct** system and press <Return>.
- Once you have chosen "X" to exit and pressed <Return>, the window should disappear, indicating that you have successfully exited the system.

From a PC on Campus

To log on:

- Run the **U of I Direct** registration program. The location of this program will vary depending upon which computer you use. In the CCSO public sites, the **U of I Direct** registration program can be found on the menu under "Network Services."
- Double-click on the icon entitled "**U of I Direct Registration** "
- When prompted at the "Enter your Network ID:", type in your Network ID at the prompt and press <Enter>.
- Next the program will prompt you for your "Password:" Type in your password and press <Enter>. After a brief delay, you will see a message that says "Welcome to the **U of I Direct** System." (If this message does not display, you may have typed your Network ID or password incorrectly. Run the program again and try retyping in your Network ID and password).
- Follow the instructions on the screen to continue. Complete your registration.

To log off:

- Choose option "X" on the Main Menu and press <Enter>.
- From the exit screen, choose "X" to exit the **U of I Direct** system and press <Enter>.
- Once you have chosen "X" to exit and pressed <Enter> from the exit screen, you will see some messages including "Tickets destroyed". You have successfully exited the U of I Direct system. If you are at a CCSO site, remember to LOGOFF the machine, also.

- ## Dial-up Access via Modem

If you have the necessary equipment (modem and a microcomputer or terminal) you can use your student account to access the **U of I Direct** registration program from the CCSO Terminal Server. If you do not have a student account, visit the CCSO Account Services Desk in 1420 DCL (1304 W. Springfield, Urbana). If you do not know how to access your student account via modem, refer to the CCSO User Guide 102 entitled "General Information about Your Account," available at any CCSO public site or 1420 DCL.

NEW: This year, students can download the **U of I Direct** software to their own computers and run the application over a modem. See **http://www.uiuc.edu/ccso/pubs/connect/kermit/** for more information about downloading this program.

If you have difficulty accessing **U of I Direct** with a modem, information and assistance is available from CCSO, phone 244-1258.

IMPORTANT NOTICE

Access to U of I Direct will be terminated if you are found to be making excessive unsuccessful registration attempts. The department office should be consulted if you need assistance in adding a particular course.

Part-Time, Late, and Visitor Registration

Part-Time Nondegree Registration

If you are a part-time nondegree student, you may register between Friday, Jan 19, and 5 PM Friday, Jan 26. To register, follow instructions for late registration. Part-time nondegree students who register on these dates will not be charged the late registration fine.

Late Registration

- Conducted via **U of I Direct** from Wednesday, Jan 17, until 5 PM Friday, Jan 26. To complete late registration during this time period, follow the prior instructions in the *Timetable* beginning at "**U of I Direct** Registration Checklist."

Students registering on or after Monday, January 29, lose the privilege of using U of I Direct. Beginning January 29, after you have met with your adviser and secured any required course approvals and clearances, bring your completed Schedule Planning-Very Late Registration Form to the Records Service Center, 901 W. Illinois Street to complete registration.

WARNING: Very late registrants are reported to lenders of student loans as NOT REGISTERED until mid-term.

There is a penalty for registering late. You will be assessed a late registration fine of $15 (amount subject to change) unless you are registering as a visitor.

Registration of Visitors

A visitor is only a listener in a class and may not participate in any class activities. Visitors are not permitted in laboratory, military, kinesiology (other than theory), or studio classes. Students on "dropped" status are not eligible to attend classes as visitors.

To register as a visitor, written approval is required on an official Visitor's Permit available either at the Records Service Center, 901 W. Illinois Street, or your college office. After obtaining the form, proceed according to one of the following conditions:

- If you are a currently enrolled student: Obtain permission from the instructor of the class and the approval of the dean of your college.
- If you are a former student not currently registered: Obtain the approval from the instructor of the class and the dean of the college in which you were last registered
- If you have not been previously registered at the University: Obtain the approval from the instructor of the class and the dean of the college in which the course is offered.
- If you are a staff employee of the University: In addition to obtaining other required approvals, you must secure the recommendation of the head of the department or unit in which you work.

After obtaining all required approvals on the Visitor's Permit form, bring the form to the Records Service Center, 901 W. Illinois Street, to complete registration.

Registration-Related Services

Personnel will be available to answer questions and provide assistance at the following locations:

Financial Aid: Financial Aid Office, 620 E. John

Health Insurance (exemption, reinstatement, dependent or extension coverage): Suite 480, Illini Union Bookstore Bldg., 807 S. Wright

ID Cards (new or replacement): Campus ID Center, 204 Illini Union Bookstore, 809 S. Wright

Residency Status: Records Service Center, 901 W. Illinois, Urbana

Tuition and Fee Assessment, Appointment Waivers: Records Service Center, 901 W. Illinois Street

Registration Charges, Payments, and Refunds*

Waivers and Exemptions

If you receive a **waiver**, you are assessed the amount of the charge but the amount is waived by University policy. Because you were assessed the charge, you are eligible to receive the benefits of the service provided by that charge.

If you are **exempt** from a particular charge, that charge is not assessed and therefore you are not eligible to receive the benefits of the services provided by the charge. If you have an exemption from any charge because you are registered in Credit Ranges III or IV, you may obtain the benefits of the service provided by making individual arrangements. (See "Fees and How They Are Determined.")

Tuition and fee waivers are not granted for the Executive MBA or other full-cost programs. Detailed information on tuition and fee waivers and exemptions is published in the *Code of Policies and Regulations Applying to All Students*, which is available on the Web (**http://www.uiuc.edu/admin_manual/code**).

If you believe that you qualify for any of these waivers or exemptions, consult the staff at the Records Service Center, 901 W. Illinois Street.

Tuition and Fee Assessments

Tuition rates are determined by the University Board of Trustees. Assessment is based on your college and curriculum of enrollment, class, your residency classification, and your credit range.

College of Enrollment

Your tuition rate is based in part on whether you are an undergraduate, graduate, or professional student. All students enrolled in engineering, chemical and life sciences, and art, music, and architecture, and the master's of business administration, curriculum are assessed a tuition surcharge.

Because the Professional Veterinary Medicine Program requires a full course of study each term, students in that curriculum are assessed a single tuition rate for each of the four years of the program.

Students enrolled in the nursing and medical sciences programs on the Urbana-Champaign campus are assessed tuition at Chicago campus rates. Fees are assessed at Urbana campus rates.

Information about tuition rates for students in flight training, study-abroad, Executive MBA, and other special-cost programs may be obtained at the Records Service Center, 901 W. Illinois Street, or by calling (217) 333-0210.

Residence Classification

Another factor in determining your tuition rate is your residence classification (resident or nonresident of Illinois as defined and determined according to regulations approved by the University Board of Trustees). Your classification is based on information you provide on your admission application and other credentials.

*Policies and procedures regarding tuition and fees are established by the Board of Trustees and administered through various campus offices. This publications summarizes the policies and procedures currently in effect, which may be modified from time to time without notice.

To request a change in your residency classification, obtain a petition at the Records Service Center, 901 W. Illinois Street. You must submit the petition by February 15. If you fail to submit a petition within the allotted time period, you lose all rights to a change in status and adjustment of your assessed tuition for the term. Additional information is available at www.uoapa.uillinois.edu/residency.html.

Fees and How They Are Determined

The fee schedule is fixed by the University Board of Trustees and is calculated on the basis of the number of semester hours or units of credit for which you are registered. Fees to be assessed this semester are:

General Fee: Supports certain fixed costs of fee-supported buildings (IMPE, Ice Arena, Assembly Hall, Illini Union, etc.) on campus.

Service Fee: Supports salaries, programming, general expenses, and utilities for campus auxiliary service units such as the Illini Union, the Assembly Hall, and Campus Recreation. *(Students exempt from this fee because they are registered in Credit Range III or IV may obtain the services by paying the spring semester fee at a cashier's window in 100 Henry Administration Building by no later than 4:00 PM, Feb 9, 2001.)*

Health Service Fee: Supports salaries, programming, general expenses, and utilities for McKinley Health Center and the Counseling Center. *(Students exempt from this fee because they are enrolled in Credit Range III or IV may obtain the services by paying the spring semester fee at the McKinley Health Center Business Office by no later than 5:00 PM, Feb 9, 2001.)*

Health Insurance Fee: Covers the cost of premiums to the insurance carrier and the cost of administering the program.

Transportation Fee: Supports a campus and community busing plan for students. *(Students exempt from this fee because they are enrolled in Credit Range III or IV may obtain the services by paying the spring semester fee at the Division of Campus Parking by no later than 5:00 PM, Feb 9, 2001.)*

Flight Training Fee: Charged each student enrolled in flight training courses in addition to regular tuition and fee registration charges; based on the nature of each course.

Krannert Fee: Refundable; supports productions at the Krannert Center for the Performing Arts.

SEAL Fee: Refundable; assessed students registered on campus to supplement existing financial aid for needy students.

SORF: Refundable; supports the Student Legal Service and assists in funding programs and/or services of registered student organizations.

ISG Fee: Refundable; supports the activities of student government.

Students exempt from KCPA, SEAL, SORF, and ISG fees because they are registered in Credit Range III or IV may participate in them by paying a $17 fee at a cashier's window in 100 Henry Administration Building by no later than 4:00 PM, Feb 9, 2001. The charge will cover all four fees which may not be purchased separately.

For refund dates on all refundable fees, see the section "Refund of Special Fees."

Tuition and Fees Billings and Payments

Important Dates

Feb 2	Payment deadline if registered by Jan 26
Jan 29 and thereafter	Payment deadline is 4:00 PM on day of registration

Billings and payments for all registration charges, plus charges for University-operated housing, occur after classes begin. Billing is done on a Registration Statement of Charges and Aid which itemizes all registration charges, financial aid administered by the University, financial aid from external agencies (ISSC, VA, etc.), and any cash aid for which you are eligible. The statement also contains the date by which either full payment or the first payment on the installment plan (if approved) must be made. The availability of statements and the payment deadline dates are determined by when you register.

If you clear all encumbrances and have classes on your record by the end of the first day of instruction (Jan 16), your Registration Statement of Charges and Aid will be mailed to your local address around Jan 22. Payment will be due by Feb 2. If your statement does not arrive by Jan 26, go to Window 7, 100 Henry Administration Building to request a duplicate. **It is your responsibility and obligation to obtain a statement and to pay your registration charges by the due date whether or not you received a statement at your local address.**

If you late register between Jan 22 and Jan 26, your payment will be due Friday, Feb 2.

If you register Monday, Jan 29, or any day thereafter, you must make payment by 4:00 PM on the day of registration at a cashier's window in 100 Henry Administration Building.

Your registration statement will be mailed to the local address you provide through **U of I Direct**. You may make payment by U.S. mail, registration drop boxes (located in the Illini Union and the Henry Administration Building), or in person at a cashier's window in 100 Henry Administration Building.

Payment Instructions

- Use the special registration drop boxes to return your payment. Do not use campus mailboxes.
- Allow five days for delivery if you remit by U.S. mail.
- Do not send cash either through the mail or via the drop boxes.
- If paying with a debit card, go to Window A in Room 100 Henry Administration Building. **Credit cards are not accepted.**
- If you must pay in cash, pay at a cashier's window in 100 Henry Administration Building.

- **Where Can I Make Payment?** If your payment deadline is Friday, Feb 2, you may use either U.S. mail or registration drop boxes (not campus mail boxes) to return your statement along with a check or money order in the correct amount. If you must pay in cash, go to a cashier's window in 100 Henry Administration Bldg.

  Special registration drop boxes for payment of registration charges will be available until Friday, Feb 2, at the following locations:

  - **Henry Administration Building (east and west entrances)**
  - **Illini Union (southwest entrance)**

- **Can I Pay by Installment?** An installment plan for paying tuition and fees and single-student residence hall charges is available to students enrolled on campus. This privilege is not extended to registration in extramural, correspondence, and summer Term 1 courses, or to students to whom the privilege has been denied.

  Charges for the semester are collected in three installments; the first payable by the due date shown on the original statement, and the remaining installments payable in March and April.

  A one-time finance charge of 1 percent of the total amount deferred, or $2 (amount subject to change), whichever is greater, is made against accounts being paid under the installment plan. An installment payment of charges becomes delinquent on the first day of the month following the date payment was due. Students with delinquent accounts exceeding the dollar limitation may be denied charging privileges.

  If you either pay your registration charges on the installment plan or make no payment at all and then later either withdraw from the University or reduce your registration to a lower credit range after the established refund deadline date for the semester, you are liable for the full amount of tuition and fees assessed.

- **What If I Don't Make Payment by the Due Date?** The due date for payment either in full or by installment is printed on your statement. If you do not make full or first-installment payment by the scheduled due date shown on the statement, you will be assessed a $25 (amount subject to change) registration late payment charge that will be billed to your student account.

  A delinquent service charge of 1.5 percent or $2 (amount subject to change), whichever is greater, is added per month to delinquent student accounts. At any point in the semester, a student who has a delinquent account exceeding the dollar limitation may be denied charging privileges. The delinquent service charge is applied to all items charged to the student account and for which payment is delinquent.

  If you are in debt to the University at the end of any term, you may not be permitted to register in the University again. You are not entitled to receive either a diploma or an official transcript of your credits until you have either paid the indebtedness or made suitable arrangements for payment, unless you either have a bankruptcy petition that seeks a discharge of all such indebtedness or all such indebtedness has been discharged.

- **Special Warnings about Payments.** A penalty of $15 (amount subject to change) is assessed for each check you present to the University that is returned to the Office of Student Accounts and Cashiers because of insufficient funds or for other reasons. Check cashing privileges may be suspended when more than one check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned.

  Additional penalties, INCLUDING DISMISSAL FROM THE UNIVERSITY, may be imposed on students who permit their University accounts to become delinquent or who issue checks that are returned to the University unpaid.

Taxpayer Relief Act of 1997

Several new tax benefits became available to eligible students and their families with the enactment of the Taxpayer Relief Act of 1997. This legislation grants eligible taxpayers a tax credit for qualified higher education expenses. Two of those credits are the Hope Scholarship Credit and the Lifetime Learning Credit.

The University of Illinois' Web site contains information about the Taxpayer Relief Act including information from the Internal Revenue Service (IRS). For a full explanation of the tax credits, visit **http://www.uoapa.uillinois.edu/TRA.**

Important: Please note that only the IRS or a tax professional can provide tax advice on this legislation. Contact one of these resources if you have questions about the law. The University cannot provide tax information or advice.

Student Health Insurance Plan

The University provides and administers a health insurance plan which is mandatory for those students who have not provided proof of other equivalent health insurance coverage. The fee for the plan is assessed along with other tuition and fees. *Tuition and fee waivers do not apply to the student insurance fee.* Coverage is worldwide and extends, including breaks, from January 14, 2001 to June 8, 2001. The insurance plan is independent of McKinley Health Service and benefits are not contingent upon McKinley Health Service referrals. Benefits are detailed in the Student Health Insurance Plan booklet which is available at the Student Insurance Office at 807 S. Wright, Suite 480, Champaign, IL 61820; (217) 333-0165, or on the Web at http://webster.uihr.uiuc.edu/students. See below for information and instructions regarding fee exemption, dependent coverage, etc.

Spring Semester Health Insurance - Enrollment Change Period:

- January 16, 2001, to noon, Friday, February 2, 2001: Student Insurance Office, 807 S. Wright, Suite 480.

All Student Insurance transactions **must be** accomplished by the **Insurance Deadline** either in person or by U. S. Mail to the Student Insurance Office located at 807 S. Wright, Suite 480, postmarked on or before the Insurance Deadline. Visit our Web site at **http://webster.uihr.uiuc.edu/students** to download required forms, or call (217) 333-0165. Request made by any other means will be invalid and could result in missing the deadline.

Purchase Health Insurance for Spouse and/or Children

- **Must be applied for during Enrollment Change Period identified above, either in person, or postmarked through the U. S. Mail to the Student Insurance Office, 807 S. Wright, Suite 480. See our Web site at *http://webster.uihr.uiuc.edu/students* to download necessary forms, or call (217) 333-0165.**
- Dependent coverage becomes effective on date of application and receipt of premium or the beginning date of the semester for which coverage is being purchased, whichever is later.
- Dependents insured the prior semester will have no lapse in coverage provided the application and premium are received by the last date above.
- Dependents acquired (marriage, birth, entry into U.S.) after the above enrollment period may be added to coverage provided application is made and premium paid within 31 days of the eligibility date (date of marriage, birth, or entry into U.S.). Coverage becomes effective on the date of eligibility. Payment of a full semester's premium for the semester in which the eligibility date occurred is required.

Coverage Extensions beyond Last Semester Enrolled and Insured

- Insurance coverage ends on the beginning date of the next semester/summer session; however, it can be extended for the next school period if an extension is purchased by the semester deadline. For example, if you were a student and insured for spring and will not be a student in the Summer 2 term, coverage will not continue through the summer unless you elect to purchase a summer extension.

- Extensions for spring semester may be purchased beginning December 1, 2000 through February 2, 2001, at the Student Insurance Office, 807 S. Wright, Suite 480.
- Premium is payable at time of application.

Exemption from Health Insurance Fee

Petitions for exemption must be completed in person, or postmarked through the U.S. Mail to the Student Insurance Office, 807 S. Wright, Suite 480, during the Enrollment Change Period identified above. See our Web site at **http://webster.uihr.uiuc.edu/students** to download necessary forms, or call (217) 333-0165.

- Exemption from the insurance fee is granted when a student provides evidence of other health insurance which is in effect on or before the first day of instruction of a semester, and equivalent to the University Plan.
- Proof of other insurance must be provided; acceptable proof can be your insurance identification card, or a copy of the policy, plan booklet, or notice on company letterhead from the employer or company certifying your coverage.
- An exemption will automatically continue until reinstatement to the plan is requested (see Reinstatement below) or you do not respond to a periodic request to confirm that you continue to be covered by another health insurance plan, or three consecutive semesters of non-registered status. Summer 2 is considered a semester.

Reinstatement Conditions

- Apply within 31 days of loss of other insurance; coverage is guaranteed and will be effective the date of application or other coverage termination, whichever is later. Proof of other coverage termination is required.
- Apply more than 31 days after loss of other insurance or if no loss of coverage has occurred by providing evidence of good health. If approved, coverage is effective the date of application and will be subject to a pre-existing condition limitation for the first 120 days of coverage.
- A full semester premium is required regardless of effective date.

Graduate Student Dental and Vision Assistance Plan

Graduate assistants and fellows who have tuition waivers accompanying their appointments in the spring term will be automatically enrolled for 12 months without charge in the dental and vision plan upon the completion of their appointment papers. All other graduate students, as well as dependents of graduate students and assistants, will be able to enroll in the same basic dental and vision program by completing the necessary enrollment form and paying the annual premium. The spring enrollment period is the same as that for student health insurance, January 16, 2001 through noon on February 2, 2001. Enrollment for the dental and vision plan can be done at 807 S. Wright, Suite 480 during this period. A brochure describing the Graduate Student Dental Plan and the Vision Service Plan is available from the Student Insurance Office.

Refunds

Reduction of Program Range

If you reduce your course enrollment to a lower assessment range (e.g. from Range I to Range II), you receive a refund of the full difference between the two ranges, provided the change is made by 5:00 PM, Friday, January 26, 2001. No refund is available thereafter.

In all cases, a student who is enrolled in only one course and who wishes to discontinue enrollment must withdraw from the University by completing the withdrawal process by the stated deadline.

Refunds

You may be released from your obligation to pay all of spring semester tuition and fees by canceling your registration by 5:00 PM, January 16, 2001.

You may be released from your obligation to pay part of spring semester tuition and fees by:

- Reducing your program by 5:00 PM, Friday, January 26, 2001.
- Withdrawing from the University by 4:00 PM, Friday, March 30, 2001.

Refunds of Special Fees

Krannert Fee. A refund of the Krannert Fee is available fo those students who do not desire to participate. This refund is available February 12 - 16.

SORF. A refund of SORF is available to those students who do not desire to participate. This refund is available February 19 - 23.

ISG Fee. A refund of the ISG Fee is available to those students who do not desire to participate. This refund is available February 19 - 23.

SEAL Fee. A refund of the SEAL Fee is available to those students who do not desire to participate. This refund is available February 26 - March 2.

Flight Training Fee. If you withdraw from a flight-training or glider course you will receive a refund of the unused portion of the flight-training, glider, or aviation course fees, upon recommendation of the Institute of Aviation.

Canceling Your Registration

Before the end of the first day of instruction, you may cancel your registration and be relieved of all tuition and fee charges. You may cancel your registration in one of the following ways:

- On-line by using **U of I Direct** no later than 5:00 PM on the first day of instruction of the term you wish to cancel.
- By submitting a request for cancellation of registration to the Office of Admissions and Records. The request must be received no later than 5:00 PM on the first day of instruction of the term you wish to cancel. Requests by mail should be addressed to the Office of Admissions and Records, 901 W. Illinois Street, Urbana, IL 61801. In person requests should be made at the Records Service Center, 901 W. Illinois Street, by 5:00 PM on the first day of instruction of the term you wish to cancel.

You may cancel your registration provided you have neither attended any classes nor received any related student services.

If you either attend a class or use campus services and then wish to leave the University, you must officially withdraw.

Withdrawal from the University

To withdraw, you must follow established withdrawal procedures beginning with completion of a clearance form available from the office of the dean of your college or graduate department.

To obtain a partial refund of spring semester registration charges, you must notify your college or graduate department office of your intent to withdraw no later than 5:00 PM, Friday, March 30, 2001. No refund is available thereafter. In cases of extenuating circumstances, such as medically documented illness or injury, an

exception to the refund period may be made by the director of admissions and records, acting on a petition submitted by a student. Petition forms are available at the Records Service Center, 901 W. Illinois Street.

If you officially withdraw within the refund period, you will receive a pro-rata refund based upon the effective date on the withdrawal clearance form.

March 9, 2001	50 percent
March 30, 2001	40 percent

Assessed tuition, the Service Fee, the General Fee, and the Transportation Fee are refunded on a pro-rata basis less 5 percent of the assessed amount or one hundred dollars ($100), whichever is less. The Health Insurance and Health Services Fees are nonrefundable.

If you withdraw, you continue to be covered by health insurance and are eligible to receive health services (if you paid these fees) until the first day of instruction for the next term. Before a refund is made to you, the University must make a refund to appropriate financial aid programs providing assistance to you. If you are indebted to the University at the time of withdrawal, you will have the amount owed deducted from the amount of any refund available.

If you are permitted to pay tuition and fees on the installment plan, or if you make no payment at all, and then withdraw from the University, you are liable for the full amount of tuition and fees originally assessed less applicable refunds.

Special refund policies apply to those who withdraw to enter either active duty in the armed forces or other approved national defense service.

General Information

Addresses Are Important

Have you moved recently or since you were last enrolled? Be sure to keep the Office of Admissions and Records informed of your current address and telephone number. That way you will not miss receiving important registration, college, and related information.

Each student is responsible for keeping the following addresses current on U of I Direct:

- local address (for mailings sent during the term)
- permanent address (for mailings sent between terms)
- emergency address

You may also update your telephone information on **U of I Direct**. The University phone operator's listings and your entry in the on-line phone book will include the phone number listed in **U of I Direct**.

Student Records Policy

It is University policy to comply fully with the Family Educational Rights and Privacy Act of 1974 as amended (**see http://www.oar.uiuc.edu/current/ferpa.html**). The University will not disclose information that it maintains as part of its normal course of business without the consent of the student. For complete information concerning record release and student access rights, refer to Rules 62 through 68 in the August 2000 *Code of Policies and Regulations Applying to All Students*. The *Code* is available on the Web (**http://www.uiuc.edu/admin_manual/code**).

The University has designated certain categories of information as directory information. Students' consent to release this information is implied. A currently enrolled student may instruct the University to withhold one or both categories of directory information by submitting a request form to the Office of Admissions and Records prior to the end of the fifth day of instruction for a term. Regardless of a student's enrollment status, a request to withhold directory information remains in force until the student submits a subsequent request removing the restriction. Forms may be obtained and filed at the Records Service Center, 901 W. Illinois Street.

Personal Information

- The student's name
- Addresses
- Telephone numbers
- Date of birth
- Weight and height, if an athletic team member

Academic Information

- The student's name
- College
- Curriculum and major field of study
- Class level
- Dates of attendance
- Full- or part-time status
- Institutions previously attended
- Degrees, honors, and certificates received or anticipated
- Eligibility for membership in registered University honoraries
- Participation in officially recognized activities and sports

If a student has elected to withhold either personal or academic information, the University will respond to inquiries as follows: **"The student has instructed us not to reveal this information."**

If a student has elected to withhold both categories of directory information, the University will respond to inquiries as follow: **"There is no information available for any student by that name."**

Identification Cards

Each student is issued a permanent photo identification card which must be retained by the student while registered at the University. The ID card remains the property of the University, and any student who alters or intentionally mutilates a University ID card, who uses the ID of another, or who allows his or her ID card to be used by another may be subject to discipline. A charge of $20 (amount subject to change) is assessed for replacing each lost, mutilated, confiscated, or stolen photo ID card.

You are required to present your ID card for identification purposes at the request of an agent of the University when the agent is acting in the performance of his or her supervisory or security function (e.g., examination proctor, police officer, residence hall director or adviser, gymnasium supervisor, ticket taker, or usher). You may be subject to discipline if you refuse to provide your University ID card when requested by an agent of the University.

When performing his or her duties, an agent of the University may confiscate your ID card if an individual other than yourself attempts to use the card to represent him/herself as a duly registered student, or if the ID card you present is not valid at the time you attempt to represent yourself as a duly registered student, or if the ID card is reported as lost/stolen or replaced.

If you cannot find your ID card, go to or call the Campus ID Center and complete a Lost/Stolen Property Report *immediately*. Until then, you may be liable for unauthorized use of your ID card.

Questions regarding the issuance of ID cards may be directed to the Campus ID Center, Room 204, Illini Union Bookstore, 809 South Wright Street, or call 244-0135.

Students with Disabilities

Students with disabilities who have not registered for services with the Division of Rehabilitation Education Services, 1207 S. Oak Street, and who wish to request accommodations for any or all of the classes in which they are registering, should contact the Coordinator for Student Services with the Division at 333-4602 (voice) or 333-1970 (TTD).

Compliance with State Immunization Law

Each admitted applicant entering the University after July 1, 1989, is subject to the requirements of Illinois Public Act 85-1315, which requires students to provide evidence of immunity to certain vaccine-preventable diseases. All students subject to the provisions of this law have received a copy of the McKinley Health Center Student Health Report form with their Notice of Admission. Students who fail to return the form by the date shown are encumbered for the next term. Students who fail to comply with state law before the start of the next term are prohibited *by law* from enrolling in that or any subsequent term.

Semester Hour Requirements

Undergraduate students are required to pursue a normal program of study, which varies by college and curriculum. More or less than a normal program may be permitted only by authority of the dean of the college or his/her designated representative.

For undergraduate, graduate, and professional students, the minimum program required in a semester for receipt of maximum educational benefit payments under the Veterans Readjustment Benefits Act of 1966 and receipt of social security benefits as a dependent is 12 semester hours or 3 units.

Classification of Students

The Registrar's Office uses only the following definitions in the classification of enrollment:

Full-time Students:	**Undergraduates**	**Graduate Students**
Fall and Spring Semesters	12 or more hours	3 or more units
Half-time Students:		
Fall and Spring Semesters	6 to 11.5 hours	1.5 to 2.75 units
Class	**Level:**	
Freshmen	0 to 29.9 hours	
Sophomores	30 to 59.9 hours	
Juniors	60 to 89.9 hours	
Seniors	90 hours and above	

Graduate students are certified as advancing one year of study if they were registered in two semesters. Graduate students on a consecutive summer-session-only pattern are advanced one year after completion of three eight-week summer sessions. A graduate student may not be certified as having advanced one year more than once within a twelve-month period.

Intercampus Enrollment Program

The Intercampus Enrollment program is intended to allow students at one campus of the University the opportunity to take advantage of opportunities unique to another campus of the University without having to transfer. It is not designed to replace concurrent enrollment or transfer. The program also provides for summer enrollment at another University campus should financial aid be required. For complete information see the web site at **http://www.uoapa.uillinois.edu/intercamp/intercampus.html.**

Transcripts of Courses and Grades

A student in debt to the University is not entitled to receive a diploma or an official statement or transcript of credits until the indebtedness has been paid or suitable arrangements for payment have been made, unless the student has pending a bankruptcy petition seeking a discharge of all such indebtedness, or such indebtedness has been discharged.

A student who graduates or withdraws from the University and has an outstanding loan from the University of Illinois will not be issued a transcript until he/she has completed an exit interview with the Office of Student Accounts and Cashiers, 162 Henry Administration Building.

The charge for an official transcript is $5 per copy (amount subject to change). The charge for a written certification of enrollment or other data is $4 per copy. The charge for additional copies *ordered at the same time and sent to the same address or picked up* is $2 per copy.

Transcripts may not be ordered by telephone. They must be ordered using the Web at **http://www.oar.uiuc.edu/current/trans1.html,** or by mail addressed to the Transcript Department, University of Illinois at Urbana-Champaign, 901 West Illinois Street, Urbana, IL 61801. A check or money order payable to University of Illinois must accompany the order. Payment may also be made using Visa, MasterCard, or Discover.

Nondiscrimination Statement

The commitment of the University to the most fundamental principles of academic freedom, equality of opportunity, and human dignity requires that decisions involving students and employees be based on individual merit and be free from invidious discrimination in all its forms.

It is the policy of the University of Illinois not to engage in discrimination or harassment against any person because of race, color, religion, sex, national origin, ancestry, age, marital status, disability, sexual orientation, unfavorable discharge from the military, or status as a disabled veteran or a veteran of the Vietnam era and to comply with all federal and state nondiscrimination, equal opportunity, and affirmative action laws, orders, and regulations. This nondiscrimination policy applies to admissions, employment, and access to and treatment in University programs and activities. Complaints of invidious discrimination prohibited by University policy are to be resolved within existing University procedures.

For additional information on the equal opportunity, affirmative action, and harassment policies of the University, or information on Title IX, ADA, or 504, please contact: For the Urbana-Champaign campus: associate chancellor William Trent, Third Floor East, Swanlund Administration Building, (MC-304), 601 East John Street, Champaign, IL 61820, (217) 333-4238; or director Larine Cowan, First Floor West, Swanlund Administration Building (MC-304), 601 East John Street, Champaign, Illinois 61820; (217) 333-0885.

Health and Safety

Important information about alcohol and other drugs and about campus safety is available on the Web (**http://www.uiuc.edu/safety/resources/**). In compliance with federal law, this information describes campus policies and resources to help you manage your health and safety.

Campuswide General Education Courses

Courses approved for campus-wide General Education credit are identified throughout the *Timetable* using the abbreviations below:

Comp II = Composition II
W = Western/Comparative Culture(s)
NW = Non-Western Culture(s)
US = US Minority Culture(s)
HP = Historical and Philosophical Perspectives
LA = Literature and the Arts
LS = Life Sciences
PS = Physical Sciences
QR1 = Quantitative Reasoning I
BS = Behavioral Sciences
SS = Social Sciences

Although all of the courses marked as General Education in the *Timetable* are approved on the campus level, they may not satisfy specific requirements in individual curricula. Therefore, campus-wide approval does not guarantee that a course will satisfy the requirements of a specific college or curriculum. Students in teacher education programs must consult the Council on Teacher Education General Education Course List when selecting their courses to meet General Education requirements. All other students should consult their advisors about selecting the General Education courses which best fit their programs of study.

Please note that some courses are part of a General Education sequence and all courses in the sequence must be taken to receive General Education credit.

For General Education requirements and current course lists, see the General Education Web site at **http://www.provost.uiuc.edu/gened.**

First-Year Discovery Courses

In the First-Year Discovery Program, entry-level undergraduates can choose from a variety of small, faculty-taught courses that provide an opportunity to interact with faculty and other students from the start. Discovery sections are offered in many formats and disciplines, but all have in common the goal of helping first-year students in the transition to the intellectual community of the campus. All Discovery sections are small, with enrollments limited to twenty students or fewer; all are faculty-taught and interactive.

Discovery courses are listed in the body of the *Timetable*, where you can find the complete information needed to register for the courses, including the call numbers as well as the lecture/lab/discussion section times and locations, and any enrollment restrictions. Descriptions of the courses and the faculty who will teach them can be found in the Discovery Booklet mailed to all first-year students in October. Course descriptions and faculty bios are also available on the World Wide Web at **http://www.provost.uiuc.edu/discovery/.**

Registration in the Discovery Program is restricted to first-year students.

For a complete list of Discovery Courses, see the separate Discovery booklet, available in October, or check the World Wide Web at **http://www.provost.uiuc.edu/discovery/.**

Courses Listings

The following *Timetable* of courses offered by the University is subject to whatever changes may prove necessary at registration time. Notices of all changes in time or place of meeting of classes will be supplied to advisers for checking program request materials during registration.

Arrangement

The arrangement of subjects in this *Timetable* is alphabetical. The courses offered in each subject are listed numerically with headings to indicate the students for whom they are designed. Courses for undergraduates (designed primarilyfor freshmen and sophomores) are numbered 100 to 199; for undergraduates who satisfy the published requirements, 200 to 299; for primarily junior, senior, professionsal, and graduate students, 300 to 399; for graduate and professional students, 400 and above. Following the title of each course is a statement of the requirements, if any, for admission to the course.

Class Periods

Class periods for each course are indicated by numerals for the hours of the day and by letters for the days of the week. For example, 8-10 MTWTh+ indicates that class periods begin at 8:00 AM and continue for approximately two hours on Monday, Tuesday, Wednesday, and Thursday; 11 - 1230 TT+ means that class periods begin at 11:00 AM and continue for ninety minutes on Tuesday and Thursday. Any class beginning after 6:00 PM is indicated by the letters PM. For example, - 730-930PM+ indicates that the class period begins at 7:30 PM and continues until approximately 9:30 PM.

Class Locations

The place of meeting of each class is shown by the number of the room and the name of the building. A listing of the building abbreviations may be found in this *Timetable*.

Credit

Credit for undergraduate courses is counted in semester hours. A semester hour is one class period a week for one semester or the equivalent in laboratory work, fieldwork, or approved independent study. The number of hours for which each course counts is shown under the course.

Credit for graduate courses is counted in units. The unit value of each graduate course is indicated under the course. No course may be taken for graduate credit unless it is so designated in this *Timetable* or its supplement. In general, 1 graduate unit is the equivalent of 4 semester hours of undergraduate credit.

Some courses have variable credit, such as 3 to 5 hours or 0 to 2 units; in registering for a course with variable credit, each student indicates the number of hours or units for which he or she intends to take the course on the U of I Direct screen at the time of registration.

A course may not be taken for zero credit unless such credit is specifically authorized in the *Timetable*.

Pending Sections

Pending sections are sections shown in the *Timetable*, but not yet open for students to register in. They are identified by the letters "PEND" in the space where the call number normally appears.

Departments may open pending sections later, if they have the staff to teach them and enough students enrolled. Once a pending section is opened, its call number appears both as an alternate selection on the registration screen, and in the timetable listed in the World Wide Web.

You cannot enroll in a pending section until it is opened by the department. If you have questions about the possibility of a pending section being opened, please contact the department offering the course.

LAS LEARNING COMMUNITY COURSES AT ILLINOIS FOR FIRST-YEAR STUDENTS

For Spring 2001, The College of Liberal Arts and Sciences is offering 50 Learning Community (LAS-LC) sections for first-year students. Each of the 50 sections will have 16-25 first-year students who were enrolled In Fall 2000 in the same sections of two classes and who will now enroll in additional paired courses for Spring 2001. Registration in LAS-LC also reserves for first-year students a place in some of the highest demand first-year courses, and each member, by way of enrollment in LAS 100, confers each week with an upperclass honors student who has extensive experience in study methods strategies which can assist the academic efforts of the first-year students.

Defining Values for Research & Technology in the New Millennium: The University Changing Role. This interdisciplinary seminar will explore the values that shape research policy, including (1) The challenge of articulating the values that should inform university and public research agendas; (2) The implications for research agendas of the dramatically changing relationships between research universities and governments; (3) The implications for research agendas of the dramatically changing relationship between research universities and the increasingly knowledge based global economy. A small number of advanced graduate students may register for this special topics course that meets with a weekly faculty seminar. permission of instructors is required. THIS IS NOT AN INDEPENDENT STUDY.
Section B:
"The Domain of Images: is structured around James Elkins' book entitled "The Domain of Images" (Cornell University Press), 1999. This seminar will explore the world of non-art images, including maps, charts, early writing systems, scientific diagrams, emblems, shields, invented scripts, mathematical equations, seals, and musical notation. CHEM 101 GENERAL CHEMISTRY.
PREREQUISITE: CREDIT IN OR EXEMPTION FROM MATH 112; ONE YEAR OF HIGH SCHOOL CHEMISTRY OR EQUIVALENT. PLACEMENT INTO 101 BY THE CHEMISTRY PLACEMENT TEST RECOMMENDED.
*STUDENTS MAY NOT RECEIVE CREDIT FOR BOTH CHEM 101 AND 107.
*GEN ED: PS WITH CHEM 105
3 HOURS.

AS OF THE SPRING 1998 SEMESTER, THE LABORATORY PORTION OF CHEM 101 WAS SPLIT FROM THE LECTURE-QUIZ OR LECTURE-DISCUSSION PORTION OF CHEM 101 AND MADE INTO A SEPARATE 1 HOUR COURSE CALLED CHEM 105, GENERAL CHEMISTRY LABORATORY. ALL STUDENTS ENROLLED IN CHEM 101 SHOULD ALSO ENROLL IN CHEM 105.

TWO INSTRUCTIONAL FORMATS ARE OFFERED.

THE A SECTIONS (12A-99A) INVOLVE LECTURE AND QUIZ (ONLY ONE CALL NUMBER REQUIRED) SECTIONS 120-260 INVOLVE LECTURE-DISCUSSION

SECTION 31A IS A MERIT WORKSHOP. ENROLLMENT IS BY INVITATION ONLY. CALL 244-8279 FOR INFORMATION CONCURRENT ENROLLMENT FOR 1 HOUR CREDIT IN THE MERIT SECTION OF CHEM 199 IS REQUIRED

SECTION 99A IS A TRANSITION WORKSHOP ENROLLMENT IS BY INVITATION ONLY CALL 244-1588 OR 244-8279 FOR INFORMATION

GREEN CHEMISTRY IS A NEW FIELD THAT SEEKS TO REDUCE THE ENVIRONMENTAL CONSEQUENCES OF CHEMICAL INDUSTRY. IT INCLUDES MODIFICATION OF ENGINEERING PRACTICES, THE DEVELOPMENT OF NEW CATALYTIC PROCESSES, MODIFICATION OF EXISTING CHEMICAL PROCESSES, AND BIOREMEDIATION. THIS COURSE WILL BE TAUGHT IN AN ONLINE FORMAT WITH LECTURES FROM EXPERTS IN THIS FIELD FROM INDUSTRY, GOVERNMENT, AND SEVERAL DISCIPLINES WITHIN THE UNIVERSITY. CONTACT PROFESSOR SHAPLEY (pshapley@uiuc.edu) FOR ADDITIONAL INFORMATION.

LECT 2 - NEW DRUG SCIENCE.
PREREQUISITE: BASIC COLLEGE COURSE IN ORGANIC CHEMISTRY. 3 HOURS OR 0.75 UNITS.

COURSE COVERS THE CHEMISTRY (INCLUDING STRUCTURE-ACTIVITY RELATIONSHIPS), BIOCHEMISTRY, PHARMACOLOGY, BACTERIOLOGY AND BIOLOGY OF THE MOST SIGNIFICANT CLASSES OF DRUGS USED IN MODERN MEDICINE: ANTIBIOTICS; CARDIOVASCULAR AGENTS; ANTIULCERANTS; PSYCHOTHERAPEUTICS (ANTIDEPRESSANTS, ANXIOLYTICS, SEDATIVE/HYPNOTICS, ANTIPSYCHOTICS); ANTIMIGRAINE DRUGS; ORAL CONTRACEPTIVES AND OTHER HORMONAL THERAPY; DRUGS TO TREAT PROSTATIC HYPERTROPHY; DRUGS TO TREAT PROSTATIC HYPERTROPHY; DRUGS TO TREAT SEXUAL DYSFUNCTION; ANTIARTHRITICS, EMPHASIZING SELECTIVE COX-2 INHIBITORS; DIABETIC THERAPY; CHOLESTEROL-REDUCING DRUGS; AGENTS TO TREAT IMMUNE-MEDIATED DISORDERS; CYTOTOXIC (ANTICANCER) DRUGS; ANTIVIRAL AGENTS, PARTICULARLY NUCLEOSIDE ANALOGS AND 'RATIONALLY-DESIGNED' INHIBITORS OF THE HIV PROTEASE; PRODUCTS OF BIOTECHNOLOGY; AND OTHERS.

WHILE CERTAIN HISTORICAL AND BACKGROUND INFORMATION IS ESSENTIAL, THE MOST IMPORTANT CURRENT AND NEW AND FORTHCOMING MEMBERS OF THE DRUG ARMAMENTARIUM WILL BE THE PRIMARY FOCUS OF THE COURSE. THE PRACTICAL USE OF DRUGS IN MEDICINE ALSO WILL BE EMPHASIZED, i.e., HOW THESE CHEMICALS EXERT THEIR SPECIFIC THERAPEUTIC EFFECT AND WHEN AND WHY ONE DRUG IS USED IN PREFERENCE TO ANOTHER.

It is anticipated that this course will be approved as a revised, full semester course by the beginning of the Spring semester. The revised course will require registration in a lecture and a lab. The credit will be 4 hours or 1 unit.
This course integrates software engineering principles with data structures implemented in C++. While prior experience with either C, C++ or Java is assumed, C++ will be taught in the first three weeks of the course.
The course is designed for graduate and undergraduate students in curricula outside Computer Science.

PREREQUISITE: THREE YEARS OF HIGH SCHOOL MATHEMATICS OR MATH 112.
*GEN ED: OR1
4 HOURS.
Register for one LECTURE and one LABORATORY section.
Computer programming assignments will be written in the Java programming language, which will be taught as part of the course.
This course is not recommended for first-semester freshmen in any major.
This course is recommended only for Computer Science, Computer Engineering, and Electrical Engineering majors, and for Computer Science minors. Others should consider C S 101 or 105.
Graduate students may not schedule C S 125. Undergraduate students other than Computer Science, Computer Engineering, and Electrical Engineering majors may not schedule C S 125 until November 28, 2000.

It is anticipated that this course will be approved as a revised, full semester course by the beginning of the Spring semester.
The revised course will require registration in a lecture and a lab. The credit will be 4 hours or 1 unit.
This course integrates software engineering principles with data structures implemented in C++. While prior experience with either C, C++ or Java is assumed, C++ will be taught in the first three weeks of the course.
The course is designed for graduate and undergraduate students in curricula outside Computer Science.

PREREQUISITE: VARIES WITH COURSE TOPIC; CONSENT OF INSTRUCTOR.
*COURSE MAY BE REPEATED, BUT STUDENTS MAY NOT TAKE THE SAME TOPIC MORE THAN ONCE UNLESS THE COURSE MATERIAL IS DIFFERENT.
0 TO 4 HOURS, OR 0 TO 1 UNIT.
SECTION HPJ: THIS SECTION IS BEING OFFERED AS A SECOND EIGHT WEEK COURSE. PLEASE CONTACT THE INSTRUCTOR FOR DETAILS.
CREDIT: 1 HOUR OR 1/4 UNIT.
The goal of this 2 semester project is to introduce students to the motivation and requirements for building intelligent and mobile information spaces and to engage them in learning how to design information appliances.
The project will 1) teach students how to design and build such spaces; and 2) encourage the use of these spaces in the existing computer science curriculum. Each student will be issued with an HP Jornada 680 and will have access to an HP Kayak workstation and Chai software development environment.
NOTE - STUDENTS ARE REQUIRED TO REGISTER FOR THIS COURSE IN AT LEAST TWO CONSECUTIVE SEMESTERS (summers may be excluded) TO RECEIVE ANY CREDIT FOR IT.

EDUCATIONAL PRACTICE

COUNCIL ON TEACHER EDUCATION 130 EDUCATION BUILDING

ADMISSION TO EDUCATIONAL PRACTICE (STUDENT TEACHING) IS LIMITED TO THOSE STUDENTS WHO ARE IN GOOD STANDING IN A TEACHER EDUCATION CURRICULUM APPROVED BY THE COUNCIL ON TEACHER EDUCATION.

ELIGIBILITY REQUIREMENTS FOR STUDENT TEACHING AND FOR RECEIVING A UNIVERSITY OF ILLINOIS RECOMMENDATION FOR CERTIFICATION ARE DESCRIBED IN THE COUNCIL ON TEACHER EDUCATION SECTION OF THE PROGRAMS OF STUDY CATALOG. CANDIDATES FOR UNIVERSITY OF ILLINOIS TEACHER EDUCATION DEGREES MUST COMPLETE EDUCATIONAL PRACTICE AS PART OF THE PROFESSIONAL SEMESTER WHICH IS GENERALLY TAKEN IN THE

ED PR CONTINUED
FALL OR SPRING SEMESTER OF THE CANDIDATE'S SENIOR YEAR. FEW PROGRAMS OFFER STUDENT TEACHING DURING SUMMER SEMESTER. FOR THOSE THAT DO, APPLICATION SHOULD BE MADE DURING THE MONTH OF APRIL. APPLICATION FORMS MAY BE OBTAINED FROM DEPARTMENTAL OFFICES. ELIGIBILITY INCLUDES HAVING A 2.5 CUMULATIVE AND UNIVERSITY GPA AND COMPLETION OF 100 CLOCK HOURS OF EARLY FIELD EXPERIENCES.

APPROXIMATELY ONE YEAR PRIOR TO THE SCHOOL YEAR IN WHICH THEY EXPECT TO ENROLL IN STUDENT TEACHING, STUDENTS MUST ATTEND AN INFORMATIONAL MEETING WHERE THEY WILL RECEIVE AN APPLICATION TO APPLY FOR A TENTATIVE STUDENT TEACHING ASSIGNMENT IN THE ILLINOIS PUBLIC SCHOOLS. THESE APPLICATIONS MUST BE COMPLETED AND PROCESSED PROMPTLY THROUGH THE APPROPRIATE DEPARTMENT. ALL STUDENT TEACHING APPLICATIONS MUST BE RECEIVED NO LATER THAN THE SECOND FRIDAY IN DECEMBER DURING THE YEAR PRIOR TO THE SCHOOL YEAR IN WHICH A STUDENT EXPECTS TO STUDENT TEACH. STUDENTS WHOSE APPLICATIONS ARE APPROVED WILL ENROLL FOR THE FOLLOWING SCHOOL YEAR. STUDENTS MAY NOT STUDENT TEACH IN THE HIGH SCHOOL FROM WHICH THEY GRADUATED.

EDUCATIONAL PRACTICE IS UNDER THE GENERAL SUPERVISION OF THE COUNCIL ON TEACHER EDUCATION.

Course add only by permission after the first week of instruction.
Enrolled students must contact the department office, 209 Trans Bldg, to change sections after the semester begins.
Students for whom this course is required in their major must go to their college office to drop. (206 Engineering Hall for engineers)
This is a high-demand course. Enrollment may be restricted initially to engineering and other approved majors.
Section status message "Reserved" appearing on UI Direct alternate section screens may mean the section is reserved for you. Try!

MATH 315 LINEAR TRANSFORMATIONS AND MATRICES.
PREREQUISITE: MATH 242 OR 243 OR 245.
*ONE UNIT CREDIT REQUIRES APPROVAL OF THE INSTRUCTOR AND COMPLETION OF ADDITIONAL WORK OF SUBSTANCE.
3 HOURS, OR 0.75 OR 1 UNIT.
SECTIONS E8 & Z8 WILL BE TAUGHT ON MACINTOSH OR WINDOWS COMPUTERS USING MATHEMATICS INTERACTIVE COURSEWARE. PREVIOUS COMPUTER EXPERIENCE IS NOT NECESSARY. FOR FURTHER INFORMATION SEE http://www-cm.math.uiuc.edu/
SECTIONS E8 & Z8 DEAL WITH THE CONTENT OF THE REGULAR SECTIONS OF 315 FROM A GEOMETRIC RATHER THAN AN ALGEBRAIC STANDPOINT. THESE SECTIONS ALSO INCLUDE SINGULAR VALUE DECOMPOSITION, RAY TRACING, IMAGE AND DATA COMPRESSION, PRINCIPAL COMPONENT ANALYSIS, ILL-CONDITIONED MATRICES, ROUNDOFF ERROR AND PLOTS OF HIGHER DIMENSIONAL SURFACES AS PROJECTED INTO THREE DIMENSIONS.
SECTION Z8 WILL BE TAUGHT ASYNCHRONOUSLY USING MATHEMATICA THE FIRST MEETING FOR THIS "ARR" COURSE WILL BE WEDNESDAY JANUARY 19 @ 5PM IN ROOM 239 ALTGELD HALL.
SECTION &01 IS AN HONORS SECTION AND REQUIRES GRADES OF "A" IN

PHYCS 199BCS
EXPLORING THE BEHAVIOR OF COMPLEX SYSTEMS
The behavior of complicated systems with many parts will be explored with hands-on computer simulations and lab experiments Students will experiment with lightning, turbulence, explosions, and human rhythms and use simple computer models to imitate their irregular and symmetric patterns and dynamics and will develop an intuition as to why isolated complex systems prefer harmony and symmetry whereas competing complex systems prefer chaos. Applications in business, engineering, and social sciences will be discussed
A first year Discovery Program course: priority registration given to freshmen Students should enroll in only one Discovery course Students who enroll in more than one Discovery course may be dropped from the additional Discovery courses For a listing of these courses, see the front part of the printed timetable; for course descriptions, see the Discovery Program course booklet

HONORS SEMINAR TOPICS IN ELECTRICITY AND MAGNETISM
PREREQUISITES PHYCS 111, CONCURRENT REGISTRATION IN PHYCS 112, AND CONSENT OF INSTRUCTOR
*PHYCS 199HON CAN BE USED TO SATISFY THE HONORS COMPONENT OF PHYCS 112
Students investigate special topics in electricity and magnetism. Through weekly meetings [similar in format to the discussion sections of Physics 111 and 112], students will derive for themselves some of the surprising features of our post-classical physical world For example, the need for special relativity, the existence of magnetic fields, and the origin of electromagnetic radiation are consequences of simple observations such as the constancy of the speed of light. Other topics will include the nature of Gauss' law and Maxwell's equations, potentials and superposition, magnetic bottles, amplifiers, and guitar fuzz boxes PHYCS 199HON is intended for students who have been comfortable with the level of difficulty of PHYCS 111, and whose math skills are reasonably strong It allows students to confront in greater depth some of the most interesting intellectual issues in classical electrodynamics The course will use calculus as a problem-solving tool

PHYSICS OF ELECTRONIC MUSICAL INSTRUMENTS
This course will investigate the physics of electronic musical instruments (electric guitars, basses, mandolins, etc.) and amplifiers. Topics covered will include the physics of how acoustic and electric guitars work, their acoustic properties, the electromagnetic properties of electric guitar pickups, the physics of how vacuum tube and solid state amplifiers work, properties of electronic components (resistors, capacitors, inductors, transformers), amplifier design, electromagnetic and acoustical properties of loudspeakers and loudspeaker enclosures, acoustical and electronic effects. The history of the development of electronic musical instruments, from the perspective of basic science R&D and technological advancements, will also be discussed.

THEORETICAL BIOPHYSICS
An introduction to self-organization and processes in the living cell from the theoretical physics perspective. The course will be based on case studies from the fields of photosynthesis, vision, cell signaling, cell motion, gene regulation, protein folding, and neural information processing. Physical concepts, mathematical techniques, and computational methods required in modern biophysics will be introduced. Emphasis will be on the multi-scale organization and multi-physics mechanisms of living systems. The latter mechanisms link various domains of theoretical physics like classical molecular dynamics, elasticity theory, electrostatics, stochastic mechanics of classical and quantum systems, molecular electronics, theory of radiation processes, and non-linear dynamics

Primary topics include: complex variables (analyticity, Cauchy's theorem, residue calculus, conformal mappings, integral transforms, asymptotic techniques, Riemann surfaces), group theory in classical and quantum systems (discrete and continuous groups, representation theory, physical applications of topology), tensors in physics (Cartesian tensors, curved spaces, elementary Riemannian geometry); aspects of probability theory (Langevin and Fokker-Planck equations, Gaussian random variables and field theory, generating functions, random matrices) matrices)

4:00 PM or later 4:00 PM or later	Monday Tuesday	7:00-10:00 PM, Friday, May 4 7:00-10:00 PM, Wednesday, May 9

The final examination for a course is scheduled according to the full or half hour on Monday or Tuesday on which the class first meets regularly during the semester. For example, if a course meets regularly at 10:00 AM on MWF, the examination must be given from 8:00 to 11:00 AM on Friday, May 4. The final examination for a course meeting regularly on TuTh from 2:30 to 4:00 PM must be given from 1:30 to 4:30 PM on Monday, May 7.

In a course having a combination of lecture and discussion and/or laboratory periods, the first *lecture* hour of the week is considered the first contact of the week for purposes of determining examination time. Call 244-9851 with questions about this.

For a course not provided for in the examination schedule (i.e., one that meets for the first time on Wednesday or later), an examination is to be given within the established examination schedule at the discretion of the instructor and at a time to avoid conflicts. A conflict examination must be given if necessary. The instructor must call the departmental office to schedule the room for the examination.

Any College of Education course at the 300- or 400-level that meets once a week must have a final examination on the same day and at the same time that the class regularly meets. The Office for Project Planning and Facility Management will make room assignments for such courses.

Spring Semester 2001 Noncombined Final Examination Schedule

May 4 through May 11, 2001[1]

This schedule does not apply to courses in the Colleges of Law and Veterinary Medicine, which publish separate schedules.

Illinois law requires the University to reasonably accommodate its students' religious beliefs, observances, and practices in regard to admissions, class attendance, and the scheduling of examinations and work requirements. All regulations governing final examinations will be applied in the context that an individual student's religious beliefs, observances, and practices will be reasonably accommodated if the student informs his or her instructor of the conflict within one week after being informed of the final examination schedule. Any student may appeal in writing an instructor's adverse decision to a request based on religious beliefs, observances, and practices; such appeal must be made to the dean of the student's college or to the director or dean of the student's school or institute (if such school or institute is organized as a separate unit). Before taking action, the dean or director should request that the instructor explain his or her denial in writing.

Requirement

A final examination must be given during the scheduled final examination period for each course except in a course that has a character that renders a final examination unnecessary or impracticable. The head or chairperson of the academic department in which the course is offered determines when a final examination is not required.

Time of Examination

An instructor must give a final examination at the time specified in the published schedule unless a change is approved in advance through the Office of the Vice-Chancellor for Academic Affairs. A request for change must be submitted through the executive officer

[1] An examination for a first-half-session course should be scheduled at the end of the first-half-session period. If such an examination is not scheduled in the regular classroom at the time the class usually meets, a special examination room must be reserved through the Office for Project Planning and Facility Management, 333-1230.

of the department or school (if applicable) in which the course is offered and the dean of the appropriate college. **Requests for examination changes should be made only in cases of legitimate need and not just for the convenience of students and instructors.**

A request for change in the examination schedule will not be considered for approval unless the instructor

- has polled the class to determine that an alternative date is desired by a majority of the class members, and
- also offers the examination at the regularly scheduled time if some choose not to take it at the alternate time, and
- has contacted the Office for Project Planning and Facility Management (244-9851) and has assurance that space is available in which to give the examination at an alternate time if approved. The Office for Project Planning and Facility Management will not confirm space availability for early examinations until the twelfth week of the semester.

No semester final examination should be given during a "regular" class period unless this is deemed necessary by virtue of the course or the examination (e.g., a laboratory "practical" examination as one part of a final examination).

NOTE:

Undergraduate Students: Except as provided for a request based on religious beliefs, observances, and practices, only the dean of a student's college may approve temporary postponement of the final examination in an individual case of an undergraduate student.

Graduate Students: A student's instructor is authorized to approve a request for postponement of the final examination in an individual case of a graduate student.

Place of Examination

An examination will be held in the room where the course meets for the first lecture contact hour of the week, except in the case of a combined-sections examination, an examination for a course in which the instructor has requested additional space for the final examination, or a specifically scheduled examination. Instructors are to announce any special or changed room assignments.

Take-Home Examination

If a take-home final examination is assigned, it is to be submitted by the student at the time and date of the regularly scheduled final examination. An instructor who wishes to depart from this practice, must follow the procedure for changing the final examination schedule as stated elsewhere in this section.

Length of Examination

The maximum limit for an undergraduate final examination shall be three hours, except by special arrangement in individual cases approved by the dean of the appropriate college. At the discretion of the department, a shorter examination may be given.

Conflicts

Normally in a semester several combined-section, conflict, and noncombined examinations are given at the same time. As a guide to resolving conflicts, an order of priority has been established within each examination period, and a student should resolve a conflict using the published examination schedules and the following priority guidelines.

a) National and state professional examinations (e.g., CPA, actuarial science, Architect Registration Examination) take priority over campus final examinations. An instructor must offer a conflict examination to a student scheduled to take national or state professional examination and a campus final examination at the same time.

b) A noncombined examination has precedence over any combined-sections or conflict examinations.

c) As between courses on the combined sections/conflict final examinations schedules a course in group (a) has precedence over all other combined sections/conflict examinations scheduled for that time period; a course in group (b) has precedence over those in group (c), and so forth. All courses within a same group have equal priority, and conflicts within a group must be resolved by the instructors and departments involved.

d) A department offering a combined-sections final examination must provide a conflict examination if required to accommodate student conflicts.

A detailed combined-sections and conflict final examination schedule will be made available to departments and on the Web.

Students Having More than Two Consecutive Final Examinations

No student is required to take more than two consecutive semester final examinations. This means that if you take final examinations at 8:00 AM and 1:30 PM on the same day, you cannot be required to take another final examination that same day; however, you are required to take an examination scheduled for 8:00 AM the following day.

Similarly, if you have a final examination at 7:00 PM one day and another at 8:00 AM the next day, you cannot be required to take an examination at 1:30 PM that second day; you can, however, be required to take an examination at 7:00 PM of that second day.

If you have more than two consecutive final examinations scheduled, you are entitled to rescheduling, provided you take the following actions *no later than the last official day of instruction in the semester (May 2):*

- You must investigate whether a conflict examination is being held at another time for any of the examinations involved. (Instructional staff members are urged to announce any conflict final examinations by the last day of classes.)
- If a conflict examination has been scheduled for any of the courses, you must take one or more of these conflict examinations. If conflict examinations are offered for more than one course, the student must take the conflict for the course that has the largest number of students.
- If no conflict examinations have been scheduled, you should contact the instructor of the course having the largest number of students. That instructor MUST provide a makeup examination. Remember, you must initiate contact with the instructor involved no later than the last day of instruction.

Discipline for Violations of Academic Integrity

Procedures to be followed in cases of alleged cheating on final examinations may be found in the *Code of Policies and Regulations Applying to All Students*, which is available on the Web (**http://www.uiuc.edu/admin_manual/code**).

CDHQ CD HEADQUARTERS

GREAT NEW OFFER

A Simply Terrific Deal — Starting With 7 CDs FREE Right Now (plus shipping and handling)—and a total of 12 for the price of 1 with **no obligation to buy anything more!**

10-day Risk-Free Trial. We'll send details of the Club's operation with your FREE CDs. If you are not satisfied for any reason whatsoever, return everything within 10 days at our expense—and there's no further obligation on your part!

An Incredible Selection. As a member, you'll have thousands of selections to choose from. You'll receive our Free Music Magazine about every three weeks (up to 20 times a year). Each issue describes the Selection of the Month for your musical interest, plus hundreds of alternates from classic hits to today's hottest stars.

Ease, Convenience And Freedom Of Choice. In each Club magazine, you'll always be offered a special *Selection of the Month*. If you want it, do nothing—it will be shipped automatically. *If you prefer an alternate selection, or none at all,* return the response card by the date specified. You'll always have at least 10 days in which to decide; if not, you may return the selection at our expense. As soon as you buy just one CD at the regular Club price (currently $12.98 to $17.98) at some time within the next year, you're entitled to 4 more FREE! That adds up to 12 CDs for the price of 1. (A shipping and handling charge will be added to each selection.) You may cancel your membership anytime after buying your regular Club price selection.

Enjoy Savings Throughout Membership. *Each Club magazine also offers you an opportunity to get your favorite music at special low prices!* So you not only enjoy huge introductory savings right now—12 CDs for the price of 1—you'll also be offered lots of special deals and sales as long as you're a member!
